5 In the past, the Company had entered into a Charter Party Agreement with a Charterer for chartering a vessel and provision of services, for which an amount of ₹ 2,273 lakhs was receivable by the Company. The Charterer was in turn having a contract with its Contractor which was ultimately responsible to its Principal Contractor. While on charter, there was an incident that allegedly resulted in damage to subsea pipeline of the Principal Contractor, and such damage was sought to be attributed to the Company. As on June 30, 2016, the Charterer has withheld payment of ₹ 1750 lakhs due to the Company (net provision of doubtful debts of ₹ 523 lakhs) until settlement of matter relating to the damaged subsea pipeline. During the previous year, the Company initiated legal proceedings against the Charterer in the Abu Dhabi Court without any positive outcome. The Company is also in discussions with the Charterer and other parties involved to reach a settlement and enable the Charterer to initiate necessary legal recourse against its Contractor. As a significant development discussion has been made with all concerned including principal contractor. On the basis of the information available with the Company, the Management is of the view that it will be able to recover the outstanding trade receivables. 7 (a) For the year ended March 31, 2016, due to inadequacy of profits, the remuneration to the Managing Director exceeded the limit prescribed under Section 197 of the Companies Act, 2013 by ₹ 37 lakhs. The Company intends to submit application to Central Government to seek waiver from recovery of such excess remuneration. The Statutory Auditors in their Review Report on the Financial Results for the quarter ended June 30, 2016 have included an Emphasis of Matter in this regard, with similar reporting for the year ended March 31, 2016.

(b) In earlier years, the Company had made applications to Central Government for waiver from recovery of excess remuneration of ₹ 63 lakhs and ₹ 94 lakhs paid to Managing Director for the years 2011-12 and 2013-14. During the previous year, the Central Government declined the waiver for recovery of excess remuneration for the year 2011-12. The management filed a review application, drawing reference to Notification No. 46/2011 dated July 14, 2011 permitting listed companies to pay remuneration in excess of applicable limits subject to certain conditions being met. The Company had obtained an opinion of a legal expert in this regard, and submitted necessary confirmations to the Ministry, basis which it expects a closure of this matter for both years, and accordingly a recovery of such amount is not necessary.

Limited Review Report

To
The Board of Directors
SEAMEC Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of SEAMEC Limited ('the Company') for the quarter ended June 30, 2016 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Trade receivables and unbilled revenue as at June 30, 2016 include Rs. 12,231 lakhs (including Rs 2,533 lakhs of revenue for the quarter ended on that date) and Rs 450 lakhs respectively recoverable from certain customers. As explained in note 4 to the Financial Results, subsequent to the quarter-end, the parent company of the customers has been placed under a legal process of 'Judicial Management' in Singapore for financial rehabilitation, which creates an uncertainty as regards ability of the parties to pay the amounts due to the Company. Consequently, we are unable to comment on the recoverability of these amounts, including any other consequential adjustments, if any, that may arise in this regard, in these Financial Results.
5. We further report that trade receivables as at June 30, 2016, include Rs. 1,750 lakhs (net of provision for doubtful debts of Rs 523 lacs) receivable from a charterer. As explained in note 5 to the Financial Results, this amount is withheld by the charterer until a settlement involving the Company is reached in this regard. Since this amount is subject to settlement and consequential adjustments, if any, we are unable comment on the recoverability of the same, including any other consequential adjustments that may be required to be made to these Financial Results. Our audit report issued for the year ended March 31, 2016 was similarly modified in respect of this matter.
6. We have not reviewed the accompanying Financial Results and other financial information for the quarter ended June 30, 2015 as included in the Statement, which have been prepared solely based on the information compiled by the Management.

7. Based on our review conducted as above, except for the possible effects of the matters stated in paragraph 4 and 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
8. We draw attention to note 7(a) to the Financial Results, regarding remuneration of the Managing Director being in excess of the limits specified under the Companies Act, 2013 by Rs 37 lacs for the year ended March 31, 2016. Such excess remuneration requires approval of the Central Government of India, which the Company proposes to seek. Our conclusion for the quarter ended June 30, 2016 is not qualified in respect of this matter. This matter was referred to in our audit report issued for the year ended March 31, 2016.
