3 Other Expenses for the quarter ended December 31, 2016 and year ended March 31, 2017 includes provision for doubtful debts, of which ₹ 13.825 lakhs relates to the following:

a) ₹ 11,347 Lakhs receivable from Swiber Offshore (India) Private Limited "SOI" and Swiber Offshore Constructions Pte Ltd "SOC", Singapore, against which the Company had initiated legal action in India and Singapore. There has not been much relief in India. Management believes SOI does not have any significant realizable assets, and SOC is under Judicial Management in Singapore, where the Company is an unsecured creditor. Considering the above status, management had made a provision for doubtful debts of ₹ 11,347 Lakhs in the quarter ended December 31, 2016. The Statutory auditors had qualified their review conclusion in this regard, on the financial for quarters ended June 30, 2016 and September 30, 2016.

b) ₹ 1,765 lakhs (net of provision of ₹ 523 lakhs recognised in earlier year) receivable from Seahorse General Contracting Establishment, UAE which pertains to the year ended March 31, 2015 and in respect of which legal action was initiated. However, considering the limited progress in the matter, the Management recognized the additional provision of ₹ 1,765 lakhs in the quarter ended December 31, 2016. The Statutory Auditors had qualified the audit opinion for financial year ended March 31, 2016 in this regard. The Statutory Auditors had also qualified their review conclusion for the quarters ended June 30, 2016 and September 30, 2016 in this regard.

c) ₹ 713 lakhs receivable from Synergy Subsea Engineering LLC, UAE ('Synergy') relating to charter hire for a vessel. There has been no substantial progress in recovery despite efforts made. The Company is now contemplating legal action, but no time frame can be reasonably ascertained, and consequently, the amount receivable has been provided for during the quarter ended December 31, 2016.

4 There has been no development on the ongoing litigation pertaining to appeal pending before the Hon'ble CESTAT (Tribunal) on customs duties including penalties, interest etc. to the tune of ₹ 11.970 lakhs. Similarly, the appeal pending before Hon'ble Mumbai High Court pertaining to alleged Foreign Exchange violation amounting to ₹ 1,000 lakhs, remains to be heard.

5 For the year ended March 31, 2016, due to inadequacy of profits, remuneration paid to the Managing Director exceeded the limit prescribed under Section 197 read with Schedule V of the Companies Act, 2013 by Rs 96.73 Lakhs. Subsequently, the Ministry of Corporate Affairs vide notification dated September 12, 2016 amended the Schedule V of Companies Act, 2013 and revised the limit on the remuneration payable to the managerial personnel by a company having no profit or inadequate profit without the Central Government approval. Consequent upon the above, and based on the opinion of a legal expert, management believes that specific approval of Central Government is not required. However, as a matter of abundant caution, the Company has submitted an application to the Central Government seeking waiver from recovery of such excess amount of remuneration. The Central Government's response is awaited. Having regard to the facts and circumstances, in the opinion of the management, no adjustments to the financial statements are warranted at this stage.

3 Other Expenses for the quarter ended December 31, 2016 and year ended March 31, 2017 includes provision for doubtful debts, of which ₹ 13.825 lakhs relates to the following:

a) ₹ 11,347 Lakhs receivable from Swiber Offshore (India) Private Limited "SOI" and Swiber Offshore Constructions Pte Ltd "SOC", Singapore, against which the Company had initiated legal action in India and Singapore. There has not been much relief in India. Management believes SOI does not have any significant realizable assets, and SOC is under judicial Management in Singapore, where the Company is an unsecured creditor. Considering the above status, management had made a provision for doubtful debts of ₹ 11,347 Lakhs in the quarter ended December 31, 2016. The Statutory auditors had qualified their review conclusion in this regard, on the financial for quarters ended June 30, 2016 and September 30, 2016.

b) ₹ 1,765 lakhs (net of provision of ₹ 523 lakhs recognised in earlier year) receivable from Seahorse General Contracting Establishment, UAE which pertains to the year ended March 31, 2015 and in respect of which legal action was initiated. However, considering the limited progress in the matter, the Management recognized the additional provision of ₹ 1,765 lakhs in the quarter ended December 31, 2016. The Statutory Auditors had qualified the audit opinion for financial year ended March 31, 2016 in this regard. The Statutory Auditors had also qualified their review conclusion for the quarters ended June 30, 2016 and September 30, 2016 in this regard.

c) ₹ 713 lakhs receivable from Synergy Subsea Engineering LLC, UAE ("Synergy") relating to charter hire for a vessel. There has been no substantial progress in recovery despite efforts made. The Company is now contemplating legal action, but no time frame can be reasonably ascertained, and consequently, the amount receivable has been provided for during the quarter ended December 31, 2016.

- 4 There has been no development on the ongoing litigation pertaining to appeal pending before the Hon'ble CESTAT (Tribunal) on customs duties including penalties, interest etc. to the tune of ₹ 11,970 lakhs. Similarly, the appeal pending before Hon'ble Mumbai High Court pertaining to alleged Foreign Exchange violation amounting to ₹ 1,000 lakhs, remains to be heard.
- 5 For the year ended March 31, 2016, due to inadequacy of profits, remuneration paid to the Managing Director exceeded the limit prescribed under Section 197 read with Schedule V of the Companies Act, 2013 by Rs 36.73 Lakhs. Subsequently, the Ministry of Corporate Affairs vide notification dated September 12, 2016 amended the Schedule V of Companies Act, 2013 and revised the limit on the remuneration payable to the managerial personnel by a company having no profit or inadequate profit without the Central Government approval. Consequent upon the above, and based on the opinion of a legal expert, management believes that specific approval of Central Government is not required. However, as a matter of abundant caution, the Company has submitted an application to the Central Government seeking waiver from recovery of such excess amount of remuneration. The Central Government's response is awaited. Having regard to the facts and circumstances, in the opinion of the management, no adjustments to the financial statements are warranted at this stage.

Auditor's Report On Consolidated Year to Date Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
Board of Directors of
SEAMEC Limited,

1. We have audited the accompanying statement of consolidated financial results of SEAMEC Limited ('the Company'), comprising its subsidiary (together, 'the Group'), for the year ended March 31, 2017, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 ('the Regulations'). The consolidated financial results for the year ended March 31, 2017 have been prepared on the basis of the audited annual consolidated Ind AS financial statements as at and for the year ended March 31, 2017 and the relevant requirements of the Regulations, which are the responsibility of the Company's management and have been approved by the Board of Directors of the Company. Our responsibility is to express an opinion on these consolidated financial results based on our audit of the annual consolidated Ind AS financial statements as at and for the year ended March 31, 2017 which was prepared in accordance with the applicable accounting standards and other accounting principles generally accepted in India and the relevant requirements of the Regulations.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
3. In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the report of another auditor on separate financial statements and the other financial information of the subsidiary, these consolidated financial results for the year:
 - i. include the year-to-date results of the following entities;
 - SEAMEC Limited
 - SEAMEC International FZE, the Subsidiary Company
 - ii. are presented in accordance with the requirements of the Regulations in this regard; and
 - iii. give a true and fair view of the consolidated net loss and other financial information for the consolidated results for the year ended March 31, 2017.

4. We draw attention to note 5 to the consolidated financial results, regarding application made by the Company to the Central Government, seeking waiver from recovery of managerial remuneration of Rs. 36.60 lakhs, which was paid in excess of the limits specified under the Companies Act, 2013, for the financial year 2015-16. Pending approval of the Central Government, no adjustments are considered necessary by management in this regard. Our opinion is not qualified in respect of this matter.

5. We did not audit the financial statements and other financial information, of the subsidiary located outside India, whose financial statements includes total assets of Rs 7,398 lakhs and net assets of Rs 7,767 lakhs as at March 31, 2017, and total revenues of Rs 128 lakhs for the year ended on that date and net cash outflow of Rs 25 lakhs for the year ended on that date. Those financial statements, prepared in accordance with accounting principles generally accepted in the subsidiary's country of incorporation, have been audited by another auditor under generally accepted auditing standards applicable in that country. The Company's management has converted those financial statements from accounting principles generally accepted in the country of incorporation of the subsidiary, to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion, in so far as it relates to the balances and affairs of the subsidiary, is based on the report of the other auditor on the said financial statements, and the conversion adjustments prepared by the management of the Company and audited by us.
