S. N. Mohanty
President – Corporate Affairs,
Legal and Company Secretary

#### **NOTES:**

- 1. A member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on poll instead of himself / herself and the proxy need not be a member of the Company. The proxy form duly completed and signed should be lodged with the Company at its Registered Office at least 48 hours before the time of the meeting. As per Secretarial Standard-2, the proxy should carry a valid Photo-Id card to the AGM venue.
  - A person can act as proxy on behalf of members not exceeding fifty (50) and holding in aggregate not more than ten (10) percent of the total share capital of the Company. In case a Proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the company carrying voting rights, then such person shall not act as a Proxy for any other Member. Proxies submitted on behalf of Limited Companies, Societies etc. must be supported by appropriate resolution / authority, as applicable.
- 2. The Register of Members and Share Transfer Books of the Company will remain closed from 5<sup>th</sup> August, 2017 to 11<sup>th</sup> August, 2017 (both days inclusive).
- 3. In pursuance of Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the relevant details of the Director retiring by rotation and seeking re-appointment at the ensuing Annual General Meeting are given in the annexure to the notice of the Annual General Meeting.
- 4. Members desirous of obtaining any information regarding Accounts and operations of the Company requested to write to the Company, so that it reaches the Company at least 7 (Seven) days before the meeting, to enable the Company to keep the information ready at the time of the meeting.
- 5. Any change of address of the members holding shares in physical mode of the Company to be intimated to the Registered Office of the Company or to the Registrars (RTA): C B Management Services (P) Ltd., P-22, Bondel Road, 5<sup>th</sup> Floor, Kolkata 700 019. Members holding shares in Demat Mode must inform change of address to their respective Depository Participants.
- 6. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
- 7. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in Securities Market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat Accounts. Members holding shares in Physical form can submit their PAN to the Company and/or Registrar and Share Transfer Agent of the Company.
- 8. Members holding shares in physical mode and who have multiple accounts in identical names or joint accounts in the same order are requested to send all their relevant share certificates to the RTA for consolidation to one account to facilitate better service.
- 9. Members are requested to bring their copies of the Annual Report and Accounts to the Meeting.
- 10. Members / Proxies should bring the Attendance Slip duly filled in for attending the meeting.
- 11. Members are requested to quote the ledger folio or Client ID and DP ID numbers in all communications with the Company.
- 12. Members may note that the Notice of the 30<sup>th</sup> Annual General Meeting and Annual Report for 2016-17 will also be available on the Company's website www.seamec.in. The Notice of AGM shall also be available on the website of NSDL viz. https://evoting.nsdl.com.
- 13. Electronic copy of the Annual Report 2016-17 containing Notice of AGM is being sent to all members whose email IDs are registered with the Company/Depository Participant(s) for communication purpose unless any member has requested for a hard copy of the same. For members, who have not registered their email address, Physical copies of the Annual Report along with Notice of AGM are being sent in the permitted mode.
- 14. To support "Green Initiatives", the member who have not registered their email addresses are requested to register the same with the Registrar/Depositories.

# 15. Voting through Electronic means

- I. In compliance with the provisions of Section 108 of the Companies Act, 2013 read with, Rule 20 of the Companies (Management and Administration) Rules 2014, as amended, Regulation 44 of the Listing Regulations, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the 30<sup>th</sup> Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of AGM ("remote e-voting") will be provided by National Securities Depository Limited (NSDL).
- II. The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.
- III. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- IV. The remote e-voting period commences on 8<sup>th</sup> August, 2017 (9:00 am) and ends on 10<sup>th</sup> August, 2017 (5:00 pm). During this period members of the Company holding shares either in physical form or in dematerialized form, as on the cut-off date of 4<sup>th</sup> August, 2017 may cast their vote by remote evoting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.
- V. The process and manner for remote e-voting are as under:
  - A. In case a member receives an email from NSDL (for members whose email IDs are registered with the Company/ Depository Participant(s)):
    - i. Member to open email and open pdf file "seamec remote e-voting.pdf" with client ID or Folio No as password. The said pdf file contains member's user ID and Password/PIN for e-voting. This password is an initial password.
    - ii. Member to launch internet browser by typing following URL: https://www.evoting.nsdl.com/
    - iii. Members to click on shareholder login
    - iv. Member to put user ID and Password as initial password/PIN noted in step (i) above click login.
    - v. Password change menu will appears. Members to change password/PIN with new password of members choice with minimum 8 digits/characters or combination thereof. Note/remember new password. It is strongly recommended not to share password with any other persons and advised to take utmost care to keep password confidential.
    - vi. Home Page of remote e-voting opens. Click on remote e-voting Active voting cycles.
    - vii. Select "E-voting Event Number (EVEN)" of Seamec Limited.
    - viii. Now members are ready for remote e-voting as cast vote page opens.
    - ix. Members may cast vote by selecting appropriate option and click on "submit and also confirm" when prompted.
    - x. Upon confirmation, the message "vote cast successfully" will be displayed.
    - xi. Once vote on the resolution, member(s) will not be allowed to modify his/their vote.
    - xii. Institutional Shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG format) of the relevant Board Resolution/Authority letter etc. together with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer through e-mail to "seamecscrutinizer@gmail.com" or "evoting@seamec.com" or "evoting@nsdl.co.in"
  - B. In case a member receives physical copy of the Notice of AGM (for members whose email IDs are not registered with the Company/Depository Participant(s) or requesting physical copy).
    - Initial password is provided through separate loose sheet communication containing following:
       EVEN (E-Voting Event Number), USER ID, Password /PIN

- ii. Members to follow all steps from SI No (ii) to SI No. (xii) mentioned in (A) above to cast vote.
- VI. In case of any queries, member(s) may refer the Frequently Asked Questions (FAQ) for shareholders and e-voting user manual for shareholders, available at downloads section of www.evoting.nsdl.com.
- VII. Member(s) already registered with NSDL for e-voting can use existing user ID and Password/PIN for casting vote.
- VIII. Member(s) can also update his/their mobile number and e-mail id in the user profile details of the folio which may be used for sending further communication(s).
- IX. The voting rights of the shareholders shall be in proportion to their shares of the paid-up equity share capital of the Company as on the cutoff date of 4th August, 2017.
- X. Any person who acquires shares of the Company and becomes member of the Company after dispatch of the Notice of AGM and holding shares as of the cut-off date i.e. 4th August, 2017, may obtain the login ID and password for e-voting from the Company's Registrars & Transfer Agents, C B Management Services (P) Ltd., P-22 Bondel Road, Kolkata 700019, (Phone no. 033 40116717 / 18 or NSDL (Toll Free No.: 1800222990).
- XI. A person whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting as well as voting at the AGM through ballot paper.
- XII. Mr. P.V. Subramanian, Company Secretary in Wholetime Practice (Membership No. ACS-4585, C.P. No. 2077), has been appointed as the Scrutinizer to scrutinize the voting and remote e-voting process in a fair and transparent manner.
- XIII. The Chairman shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of scrutinizer by use of ballot paper for all those members who are present at the AGM but have not cast their votes by availing the remote e- voting facility.
- XIV. The Scrutinizer shall after the conclusion of voting at the Annual General Meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than 48 hours of the conclusion of the Annual General Meeting, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith. The declared results along with the Scrutinizer's Report will be available on the Company's website and on the website of NSDL on the same day and will also be forwarded to the Stock Exchanges where the Company's shares are listed.

# EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.

#### ITEM NO. 4.

Mr. Mahesh Prasad Mehrotra, aged about 76 years has been appointed by Board of Directors of the Company as a Non-Executive Independent Director of the Company. His appointment is effective from 8<sup>th</sup> December, 2016. Mr. Mehrotra is the Chairman of Audit Committee and member of Risk Management Committee of your Company.

By Qualification, Mr. Mehrotra is a Chartered Acountant and having a degree in Law. He is the founder Partner of Mehrotra & Mehrotra, Chartered Accountants, Kanpur and Delhi, since 1962. Mr. Mehrotra has a long outstanding illustrious career having 54 years of experience. His area of expertise is Finance, Accounts and Taxation.

Mr. Mehrotra holds directorship and membership of the committee of the Board of Directors of the understated other companies in India including:

- GOL Offshore Limited
- Dhampur Sugar Mills Limited
- Delton Cables Limited
- VLS Finance Limited
- South Asian Enterprises Limited

It is now proposed to ratify the appointment of Mr. Mehrotra as an Independent Director of the Company at this Annual General Meeting for a period of 5 consecutive years upto 7<sup>th</sup> December, 2021.

A notice has been received from a member u/s 160(1) of Companies Act, 2013 proposing candidature of Mr. Mehrotra for the office of Independent Director of the Company.

In the opinion of the Board, Mr. Mehrotra fulfills the conditions specified in Companies Act, 2013 and rules made thereunder for his appointment as Independent Director of the Company. The copy of the draft letter of appointment of Mr. Mehrotra as an Independent Director would be available for inspection by the members at the registered office of the Company during normal business hours on any working day.

Mr. Mehrotra doesn't hold by himself or for any person on beneficial basis, any shares in the Company.

Your Directors are of the view that it will be in the best interest of the Company to appoint Mr. Mehrotra as Independent Director for consecutive period of 5 years and therefore recommends adoption of this resolution as proposed in Item No. 4 of the Notice.

Save and except Mr. Mehrotra, being an appointee, none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested in the resolution set out in Item No. 4. This explanatory statement may also be regarded as a disclosure under Regulation 30 of the SEBI (Listing Obligations & Disclosure Requirements), Regulations, 2015.

# ITEM NO. 5.

The company is at present having a Related Party Transaction with HAL Offshore Limited (HAL) by way of letting out on Charter Hire, the Company's vessel SEAMEC II (along with marine crew) and providing work class remotely operated vehicle (ROV) for a period of three years commencing from 28<sup>th</sup> September 2016. The above transactions exceeded the materiality threshold limit prescribed under Regulation 23 of SEBI (Listing Obligations & Disclosure Requirements), Regulations, 2015, for which shareholders' approval was sought and obtained.

The present market scenario for Company's line of business does not provide full scope for the long term contract. On the contrary, there may be requirement for vessel charter on a very short notice. In the event of any contract of the said nature as well as provisions of other services for which arrangement is to be made between HAL and the company, the same may not be practically implemented pending the approval of shareholders which would be mandatory under section 188 of the Companies Act, 2013 read with Regulation 23 of SEBI (Listing Obligations & Disclosure Requirements), Regulations, 2015.

Further, there may be a necessity for arrangement of services between HAL and the company in respect of nature of company's business directly or indirectly.

In order to provide commercial and administrative convenience, it is proposed that authority be granted to the Board of Directors of the Company with a liberty to exercise the option for approving the Related Party transactions exceeding the threshold limit

for a period of three years w.e.f. date of passing this resolution subject to prior review of each transaction and recommendation of the same by the Audit Committee to the Board for approval to meet the regulatory provisions under section 188 of the Companies Act, 2013 read with Regulation 23 of SEBI (Listing Obligations & Disclosure Requirements), Regulations, 2015.

Your directors feel that it would be appropriate to pass this resolution in the best interest of the Company.

The Board of Directors recommend passing of the resolution as set out in this notice as Ordinary Resolution.

As per the regulatory requirement, the related parties shall abstain from voting on the proposed transactions.

None of the Directors of Key Managerial Personnel's of the Company and/or their relatives except Mr. Sanjeev Agrawal, being the Nominee Director of HAL is deemed to be concerned or interested in the resolution.

#### ITEM NO. 6.

With the consent of the shareholders accorded by Special Resolution through postal ballot (vide postal ballot notice dated 6<sup>th</sup> March, 2015), Captain C.J. Rodricks was appointed as Managing Director of the Company for a period of three years from 22<sup>nd</sup> January, 2015 on such terms and conditions as contained in the relevant Explanatory Statement appended to the said notice.

However, during the FY 2015-16 the Company did not have adequate profits resulting in payment of remuneration in excess of the prescribed limits to Captain C.J. Rodricks for the FY 2015-16.

An application was, therefore, made by the Company to the Central Government for approval for waiver of excess remuneration paid to Captain C. J. Rodricks during the financial year 2015-16.

The Central Government, while processing the application, has advised the Company to furnish the statement as prescribed under sub clause (iv) of Clause B of Section II of Schedule V of the Companies Act, 2013 in the Explanatory Statement to the notice, duly approved by the shareholders.

In view of the above, the explanatory statement furnished earlier in the notice dated 6<sup>th</sup> March, 2015 needs to be modified by the inclusion of a statement containing information pursuant to sub clause (iv) of Clause B of Section II of Schedule V of Companies Act, 2013. Accordingly, the modified statement has been set out as under:-

# I. GENERAL INFORMATION

1. Reason of loss or inadequate profits.:

For the FY 2014-15, the Company earned Profit After Tax (PAT) of ₹ 540 million. However, in the subsequent year, viz 2015-16, the profit was declined to ₹ 39 million. The primary reasons attributed to the decline in profit are under employment of sizeable section of Company's fleet during monsoons in India, the absence of opportunities in middle east and one of the Company's vessel was in dry dock while the another one under modification.

- 2. Steps taken or proposed to be taken for improvement.
  - 1. Better and increased utilisation of vessels is planned in a strategic manner.
  - 2. Cost control.
  - 3. Expansion and diversification in the related field.
- 3. Expected increase in productivity and profit measures taken.

The measures stated above would increase business and profitability. Planned activity will help us in availing opportunity in the improving business scenario.

- IV. DISCLOSURES: The following disclosures shall be mentioned in the Board of Director's report under the heading "Corporate Governance", if any, attached to the financial statement:
  - 1. All elements of remuneration package such as salary, benefits, bonuses, stock options, pension, etc., of all the directors: Provided in Directors Report
  - 2. Details of fixed component and performance linked incentives along with the performance criteria:
    - Provided in Directors Report
  - 3. Service contracts, notice period, severance fees:
    - 3 months as per the terms of agreement.

The Board of Directors recommend your approval for passing the resolution as set out in the notice as Special Resolution.

None of the Directors and the Key Managerial Personnel of the Company, or their relatives, is concerned or interested, financially or otherwise, in the special resolution set out in item No.6

Registered Office: A-901-905, 9th Floor, 215 Atrium, Andheri Kurla Road, Andheri (East) Mumbai – 400 093

Dated: July 10, 2017

By order of the Board

S. N. Mohanty
President – Corporate Affairs,
Legal and Company Secretary

# **DIRECTORS' REPORT**

To

#### The Members

Your Directors have pleasure in presenting the Thirtieth Annual Report of the Company and the Audited Accounts for the financial year ended 31<sup>st</sup> March, 2017.

# 1. SIGNIFICANT EVENTS - ACQUISITION OF SHIP

Your Company has acquired a bulk carrier on 29<sup>th</sup> March, 2017 at Panama, USA. The vessel was built in 2011 at Jiangmen Nanyang Ship Engineering Company Ltd., China, having Gross Tonnage of 20,969 MT and Net Tonnage of 11,803 MT. The vessel was flagged with Marshall Island, which was converted to Indian Flag after acquisition and renamed as "SEAMEC GALLANT".

The cost of ship is US \$ 9.25 million. Post acquisition, the vessel has secured a three year Charter commencing on 3<sup>rd</sup> April, 2017.

Functionally, the new acquisition is a diversification from Company's traditional line of business. Considering the slow down in existing line of business, the Management has taken a conscious decision on this diversification which is aimed at mitigating the risk to a great extent. The acquisition has been made from the Company's internal accumulated resources and resulted utilization of Tonnage Tax Reserve created under the regulatory provision to continue under Tonnage Tax Regime.

#### 2. FINANCIAL HIGHLIGHTS

(Figures in ₹ Million)

	Current Year ended 31.03.2017	Previous Year ended 31.03.2016

Surplus available for appropriation	1406	2950
Ind AS Adjustment		(50)
OCI		(1)
Transfer to Tonnage Tax Reserve	-	
Retained profit carried forward	1406	2902

The global economic outlook continues to be in a state of uncertainty. The economies of Asia, South East Asia and Middle East are struggling to push the momentum of growth. The changes in political front in Europe and US are expected to rebalance the sectoral economy. Continued low price of crude oil has influenced the decision of the oil majors tightening capex, a ramification in global growth and global finance market.

India's economy witnessed a gained steam during first half of the year. The positive impulse, however, was absent during the second half. This was due to some bold economic measures undertaken by Government, but the effect was expected to be transient. The major policy reforms viz GST, Banking, Insolvency Code, relaxed FDI rate and focus on Speedy Infrastructure in a great way will move forward Indian Economy resulting in a GDP Growth of about 8%. To this extent, the performance of Indian Economy is creditably compared to most developed global market, showing macro economic stability. However, no significant impact on the Company's line of business is expected.

Your Company continues to focus on engagement of your vessels under the stressed business environment.

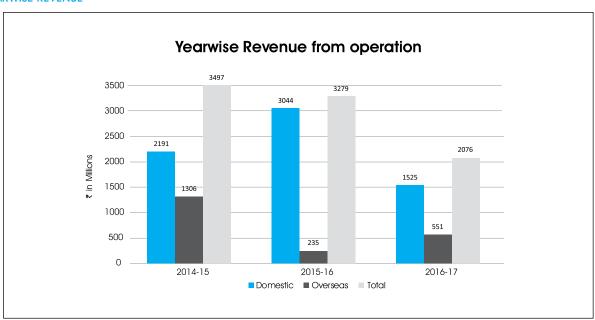

During the year under review, the Company's total revenue was ₹ 2252 million against ₹ 3509 million in last year. The reduction in overall revenue was primarily due to under employment of sizable section of your fleets during monsoon in India which extended to post monsoon period also. Additionally, a sharp fall in Charter rate remained as a crucial factor and at the same time the opportunities in Middle East, South East Asia etc. were conspicuous by their absence Income from operations was ₹ 2076 million as against ₹ 3279 million in the previous year, showing a significant drop of 37%. In addition, there was a decline in other income from ₹ 230 million to ₹ 176 million, primarily due to reduction in cash surplus, complemented by reduction in interest rate.

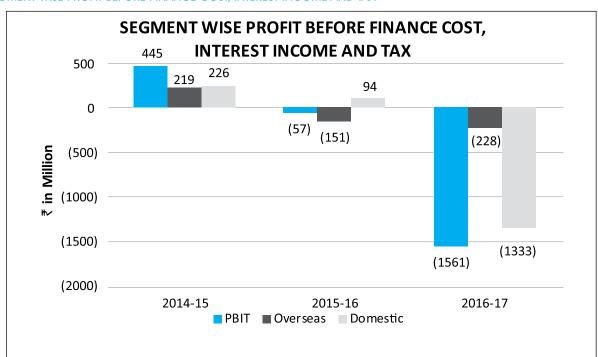

Against a profit of ₹ 59 million of previous year, your Company suffered a loss of ₹ 1496 million during year under review. The primary reason attributed to the above loss was provision made for doubtful debts against the receivables from major debtors including Swiber to the extent of ₹ 1385 million.

On a consolidated basis, total revenue was ₹ 2265 million compared to ₹ 3521 million of previous year. The consolidated loss arrived at ₹ 1503 million for the year ended 31st March, 2017 compared to profit earned ₹ 97 million of previous year.

Cash Balance at the beginning of financial year was ₹ 1030 million. The balance at the end of the year was ₹ 404 million, a decrease of 61% over last year. This was due to utilization of funds in purchase of Ship during the year under review.

#### YEARWISE REVENUE

#### SEGMENT WISE PROFIT BEFORE FINANCE COST, INTEREST INCOME AND TAX

From the Assessment year 2005-06 (relevant accounting year 2004-05), your Company has come under Tonnage tax regime available for shipping Companies under chapter XII – G of Income Tax Act, 1961. Tonnage Tax scheme available initially upto 31.03.2015 has been extended for a further period of 10 years till AY 2024-25. For the year under review, due to absence of profit no Tonnage Tax Reserve was created u/s 115V of Income Tax Act, 1961.

### 3. OPERATIONS OFFSHORE

Two of Company's vessels are under long term charter with ONGC. The remaining three vessels were under deployed due to non-facilitation of Contracts. Out of the 970 days of deployment, domestic operations registered 770 days and overseas operation was for 200 days only.

### 4. DIVIDEND

In view of absence in profit, the Board of Directors decided not to recommend Dividend.

# 5. DIRECTORS AND KEY MANAGERIAL PERSONNEL

During the year under review, Mr. Jagdish Persad Suri, Nominee Director, ceased to be Director of the Company with effect from May 18, 2016 upon withdrawal of his nomination by HAL Offshore Limited, the Promoter of the Company.

Captain C.J. Rodricks, resigned as Managing Director of the Company with effect from close of business hours on 31st March, 2017.

Your Directors place on record its appreciation of the valuable services rendered by Mr. Jagdish Prasad Suri and Captain C.J. Rodricks during their tenure as Director and Managing Director of the Company respectively.

Mr. Mahesh Prasad Mehrotra, DIN: 00016768 was appointed as Additional Director (Independent) on 8th December, 2016.

The Members' approval for appointment of Mr. Mahesh Prasad Mehrotra as Independent Director for a period of 5 years is being sought in the ensuing Annual General Meeting of the Company.

The Independent Directors have submitted their disclosures to the Board that they fulfill all the requirements as stipulated in Section 149(6) of the Companies Act, 2013 so as to qualify themselves to be appointed as Independent Directors under the provisions of the Companies Act, 2013 and the relevant rules thereunder.

In accordance with the provisions of the Companies Act, 2013 and the Articles of Association of the Company, Mr. Sanjeev Agrawal, Director of the Company, retires by rotation at the ensuing Annual General Meeting and is eligible for re-appointment.

The brief details of all members of Board are annexed to this report.

## SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH, 2017

To.

The Members, SEAMEC LIMITED Mumbai

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s SEAMEC LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on Company's books, papers, minute books, forms and returns filed and other records maintained by the company as given in **Annexure I** and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2017 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
  - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 Not applicable as the Company has not issued any shares during the year under review.
  - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client Not applicable as the Company is not registered as Registrar to Issue and Share Transfer Agent during the year under review;

#### **CERTIFICATE ON CORPORATE GOVERNANCE**

To

#### The Members of SEAMEC LIMITED

We have examined the compliance of regulations of Corporate Governance by Seamec Limited for the year ended March 31, 2017, as stipulated Part C of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

The compliance of regulations of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the regulations of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the regulations of Corporate Governance as stipulated in the above-mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

#### **MANAGEMENT DISCUSSION & ANALYSIS REPORT**

**ANNEXURE - G** 

#### 01. OVERVIEW

The oil and gas outlook has changed over the course of last year. The industry, with its history of booms and busts, has been in deepest down turn since 2009. The impact caused plunging price of a barrel of oil significantly. World Trade Index (WTI) oil prices are projected to hover around mid US \$ 50 range until end of 2018, in line with Brent Crude, the international bench mark. The cause and effect of overly high inventories and rebounding U.S. Shale Production would limit WTI from raising above US \$ 60 for now. Opinion, however, vary widely – as opposed to CITI's projection of US \$ 70 by the end of 2017, BP assumes US \$ 55 to US \$ 60 per barrel for the next five years.

Noteworthy factor is that due to reduction in Capex, the pipeline of new projects might be too small and this could set up potential supply shortage by 2020. Oil, after all, has no significant substitute, so demand is ever growing. Given the fact that the natural oil field declines, investments in new oil production is logically tend to increase continually.

As the Industry limps on a slow path to recovery, the following factors bears importance:

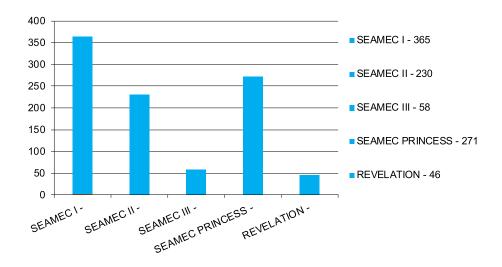

- Tightening of supply and demand imbalances.
- Equilibrium between supply and demand by early 2017.
- Global and US Oil demand continues to show moderate but steady growth.
- Production cut announcement by OPEC.
- Oil Companies strategy to operate in a lower price environment, returning to a healthier focus on capital and operating
  cost discipline.

On the Indian front, the Oil and Gas Sector is amongst the six core industries in India and plays a major role in influencing decision making for all the other important sections of the economy. New Exploration Licensing Policy (NELP) was envisaged to fill the ever-increasing gap between India's gas demand and supply.

India's economic growth is closely related to energy demand, therefore, the need for Oil and Gas is projected to grow more, thereby making the sector quite conducive for investment. Due to the expected strong growth in demand, there will be increasing demand of oil for production and transportation. Fuel consumption in India increased by about 11% to a 16 year high of 197 million ton in 2016. The country's gas production is expected to touch 90 billion cubic metres (BCM) in 2040 from 23 BCM in 2016.

India is the World's 4<sup>th</sup> largest energy consumer, oil and gas accounts for 37% of the total energy consumption. The government allows 100% Foreign Direct Investment (FDI) in upstream and private sector refining projects. In context of circumstantial changes, amidst government's developmental focus, the prospect of Oil and Gas Industry in India appears to be encouraging.

#### **DEPLOYMENT OF VESSELS**

#### 02. OPPORTUNITIES AND THREATS

The Oil and Gas Industry is incredibly resilient and has some of the brightest, most innovative human resources are involved in this industry. This has clearly what leads to overall optimism about the industry for 2017 and beyond.

India poise to grow through major policy reforms which in relative perspective appears to be most conducive to oil and gas industry. It is reiterated that the Government of India has adopted several policies to fulfill increasing demand. Notable amongst them is the 100% Foreign Direct Investment in many segments including Natural Gas, Petroleum, upstream and private sector refineries amongst others. Investment in Oil and gas sectors in India is likely to touch over US \$ 35 billion over next few years. It will contribute to raise the share of gas in country's primary energy mix to 15% by 2030.

State owned Oil and Natural Gas Corporation Limited (ONGC) dominates the oil and gas segment and has the plan to increase its activities in exploration and production segments both in East and West Coast India.

SEAMEC continues to remain as a major provider of offshore oilfield services in India.

The component of the SEAMEC fleet includes Diving Support Vessel, Utility Vessel and New entrant in the form of a Bulk Carrier. With the limited market opportunities available, SEAMEC explored successfully in securing the contracts and provided its best performance to the utmost satisfaction of the client. The Company's well trained, qualified and formidable work force, having a proven track record, is the reckoning strength and these force always ready to take on the challenges and opportunities as there may arise.

As a strategic measure, Seamec has now diversified in Commercial Sector of Shipping by acquiring a handy size Bulk Carrier keeping in mind the cyclic behavior of the Oil and Gas Industry. As per Baltic Dry Index (BDI), the segment of Bulk Carrier is expected to rise globally having impact both in terms of utilization as well as the freight.

Experts believe that the industry will see some significant improvements beyond 2017.

ONGC future plan of action which centers around a large investment in offshore region is going to boost domestic production. Revamping of pipelines and EPC contracts will be source of encouragement and opportunity for SEAMEC to utilize its proven resources by participating in the projects and commercial activities as that may emerge.

Aging of Company's fleet continues to remain as an issue. The Vessels of this nature requires sizeable foreseen and unforeseen repairs which would add to operating cost. The availability of spare parts for some of the obsolete equipment remains as a concern.

The marketing of older vessel is a challenge as newer tonnage leads to fierce cut throat competition, resulting in further reduction in the Charter Rate. In addition, Offshore Personnel with availability alternate engagement, remains as a potential threat.

#### **03. BUSINESS SEGMENT ANALYSIS**

The only business segment for the Company during year was Offshore segment.

#### 04. FINANCIAL PERFORMANCE

For meaningful comparison pertinent financial parameters are discussed below: -

(₹ In million)

	2016-17	2015-16
Revenue	2252	3509
Operating Expenses	3215	2917
Operating Profit	(963)	592
Interest Expenses	12	3
Exceptional Items	-	1
Depreciation	480	474
Profit before Tax	(1455)	115
Provision Tax Expenses	41	57
Net Profit	(1496)	58
Debtor/Sales	0.66	0.44
Creditor/Purchase	0.17	0.34

Comments on Current Year's Performance:

Revenue : The decrease in revenue is primarily due to non-utilization of vessels and comparative reduction

of Charter rate.

Operating Cost : The normal operating cost increase attributes primarily to the provisions made towards

recoverable of debts.

Operating : Loss is primarily due to non-utilization of vessels, reduction in Charter rate and provisions made Profit (Loss)

against Debtors.

Depreciation : Variance is due to treatment of Dry Dock Expenses under component accounting.

: The Company is being assessed under Tonnage Tax Scheme. Current tax is primarily on the Current Tax Exp.

interest income of short term deposits with Bank.

Net Profit(Loss) : Overall Loss due to reduction of revenue and factors signified under heading of Operating Loss.

#### **ANNEXURE – H**

For and on behalf of the Board of Directors

Place: Mumbai Sanjeev Agrawal Date: May 30, 2017 Chairman

#### **ANNEXURE I**

#### NOMINATION AND REMUNERATION POLICY

#### 1. INTRODUCTION

In pursuance of the Company's policy to consider human resources as its invaluable assets, to pay equitable remuneration to all Directors, Key Managerial Personnel (KMP) and employees of the Company and in terms of the provisions of the Companies Act, 2013 and the Listing Regulations as amended from time to time, this policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee and approved by the Board of Directors.

#### 2. **DEFINITIONS**

- "Board" means Board of Directors of the Company
- "Directors" means Directors of the Company
- "Committee" means Nomination and Remuneration Committee of the Company as constituted or reconstituted by the Board.
- "Company" means SEAMEC Limited.
- "Independent Director" means a director referred to in Section 149 (6) of the Companies Act, 2013 read with provisions of the Listing Agreement.
- "Key Managerial Personnel (KMP)" means -
  - (i) Chief Executive Officer or Managing Director or the Manager
  - (ii) Whole-Time Director
  - (iii) Chief Financial Officer
  - (iv) Company Secretary
  - (v) Such other officer as may be prescribed under the applicable statutory provisions / regulations.
- "Senior Management" means Personnel of the Company who are members of its core management team excluding Board of Directors comprising all members of management one level below the Executive Directors, including functional heads. Unless the context otherwise requires, words and expressions used in the policy and not defined herein but defined in the Companies Act, 2013 as may be amended from time to time shall have the meaning respectively assigned to them therein.

#### 3. OBJECTIVE AND PURPOSE OF THE POLICY

The objective and purpose of this policy are:

- To formulate the criteria for determining Qualifications, Positive attributes and Independence of a Director and Key Managerial Personnel.
- To lay down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (Executive and Non-Executive) and persons who may be appointed in Senior Management and Key Managerial positions and to determine their remuneration.
- To carry out evaluation of the performance of Directors, as well as Key Managerial and Senior Managerial Personnel.
- To determine remuneration based on Company's size and financial position and trends and practices on remuneration prevailing in Peer Companies, in the Shipping Industry.
- To provide Directors, Key Managerial Personnel and Senior Managers reward linked directly to their effort, performance, dedication and achievement relating to the Company's operations.
- To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.

#### 4. APPLICABILITY

The Policy is applicable to:

- 1. Directors (Executive and Non Executive)
- 2. Key Managerial Personnel
- 3. Senior Management Personnel.

This Policy is divided into 3 parts as follows:-

#### PART-A: ROLE AND RESPONSIBILITY

The Committee's foremost priorities are to ensure that the Company has the best possible leadership and maintains a clear plan for both Executive and Non-Executive Director succession. The Committee also review Senior Management succession. Its prime focus is, therefore, on the strength of the Board and the Senior Management Team and ensuring that appointments are made on merit, against objective criteria, selecting the best candidate for the post. The Committee advises the Board on the appointments, retirements and resignations from the Board and its Committees. It also advises the Board on similar changes to the Senior Management of the Company.

When considering appointments to the Board and its Committees, the Nomination and Remuneration Committee will draw up a specification for the role taking into consideration the balance of skills, knowledge and experience of its existing members, the diversity of the Board and the Company's ongoing requirements. The Company believes that diversity underpins the successful operation on an effective Board and embraces diversity as a means of enhancing the business.

#### PART-B: POLICY FOR APPOINTMENT AND REMOVAL OF DIRECTOR, KMP AND SENIOR MANAGEMENT

#### Appointment:

- The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director and recommend to the Board his / her appointment.
- The Candidate for a position at KMP or Senior Management level is met by assessment of the candidate on his / her functional and leadership capabilities and cultural fitment to the organization. It need to be ensured that the person possess adequate qualification, expertise, proper attitude and experience for the position he / she is considered for appointment.
- The Managing Director assesses the shortlisted candidates for the position of KMP or Senior Management Level.
- The selected candidate's details and the proposed compensation is shared with the Nomination and Remuneration Committee for their review and suggestions. The same is shared with the Board at the next Board Meeting. The appointment of KMP necessarily to be approved by Board on the recommendation of Nomination and Remuneration Committee.
- Managing Director will be selected by ascertaining the integrity, qualification, expertise, attitude and experience of persons for the appointment as Managing Director.

#### Term / Tenure:

- The tenure for Directors shall be governed by the terms defined in the Companies Act, 2013.
- The tenure for other KMP and Senior Management Personnel will be governed by Company's HR Policy.

#### Evaluation:

The Managing Director performs the evaluation of performance of KMP and Senior Management Personnel at regular intervals. Mostly on the yearly basis based on objectives set.

The performance evaluation of Independent Directors shall be done by the Board, excluding the Director being evaluated, Basis of evaluations is as per the contributions made to the Board deliberations on various matters including business strategy, financial strategy, operations, cost and risk management, etc., and potential suggestions given in this regard.

#### Removal:

Due to reasons for any disqualification mentioned in the Companies Act, 2013, rules made thereunder or under any other applicable Act, rules and regulations, the Committee may recommend, to the Board with reasons recorded in writing, removal of Director, subject to the provisions and compliance of the said Act, rules and regulations.

For other KMP or Senior Management Personnel the removal will be governed by SEAMEC HR Policy and the subsequent approval of the Managing Director.

#### Retirement:

The Director, KMP or Senior Management Personnel shall retire as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company. The Managing Director may recommend to Board to retain KMP, Senior Management Personnel in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

#### PART - C: POLICY RELATING TO THE RENUMERATION FOR THE WHOLE-TIME DIRECTOR, KMP AND SENIOR MANAGEMENT PERSONNEL

#### **Evaluation Process:**

- The performance metrics shall be defined by the Nomination and Remuneration Committee for Directors and for other KMP and Senior Management Personnel the metrics shall be determined by the Managing Director.
- A holistic view of the ratings will be reviewed by the Board in relation to Directors and for KMP and Senior Management Personnel be reviewed by the Managing Director. The Managing Director does a qualitative review of the performance based on the efforts put in by the employee, results achieved and impact of the external and internal factors, behavior factors, and attitude to arrive at the Final Rating.
- The revision in the total remuneration is directly linked to the Final Rating for all employees.
- The remuneration, KMP and Senior Management Personnel will be determined by the Managing Director in accordance with the HR Policy, which is based on the Final rating, employee potential and market benchmark compensation. The revised remuneration is shared with the Nomination and Remuneration Committee for review. The final remuneration package of KMP will be reviewed by Committee and noted by Board.
- The ESOP's to KMP and Senior Management Personnel will be determined by the Managing Director as per the ESOP Schemes of the Company read with applicable rules and regulations and recommended to the Committee and the Board for approval in the subsequent Board Meeting.
- The remuneration to the Managing Director shall be subject to the prior / post approval of the Shareholders of the Company and Central Government wherever required and shall be in accordance with the provisions of the Companies Act, 2013 and the rules made thereunder.
- Increments to the existing Remuneration structure of the Managing Director to be evaluated by the Committee and to be recommended to the Board which should be in accordance with the approval of the Shareholders.
- Where any Insurance is taken by the Company on behalf of its Managing Director, Chief Financial Officer, Company Secretary and any other employee including Senior Managerial Personnel for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel. Provided that if such person is proved to be guilty, the premium paid on such Insurance shall be treated as part of the remuneration.
- An Independent Director shall not be entitled to any stock option of the Company.

#### INDEPENDENT AUDITOR'S REPORT

To the Members of SEAMEC Limited

#### Report on the Ind AS financial statements

We have audited the accompanying standalone Ind AS financial statements of SEAMEC Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, its loss and its cash flows for the year ended on that date.

#### **Emphasis of Matter**

We draw attention to note 48 to the standalone financial statements, regarding application made by the Company to the Central Government, seeking waiver from recovery of managerial remuneration of ₹ 3.66 million, which was paid in excess of the limits specified under the Companies Act, 2013, for the financial year 2015-16. Pending approval of the Central Government, no adjustments are considered necessary by management in this regard. Our opinion is not qualified in respect of this matter.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure 1, a statement on the matters specified in paragraphs 3 and 4 of the Order.

- 2. As required by section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016;
  - (e) On the basis of written representations received from the directors as on March 31, 2017, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of section 164 (2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report dated May 30, 2017 in "Annexure 2" to this report;
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements Refer Note 37 to the standalone Ind AS financial statements;
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
    - iv. The Company has provided requisite disclosures in note 55 to these standalone Ind AS financial statements as to the holding of Specified Bank Notes on November 8, 2016 and December 30, 2016 as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016. Based on our audit procedures and relying on the management representation regarding the holding and nature of cash transactions, including Specified Bank Notes, we report that these disclosures are in accordance with the books of accounts maintained by the Company and as produced to us by the Management.

#### Re: SEAMEC Limited ('the Company')

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - (b) Fixed assets have been physically verified during the year by the management and no material discrepancies were identified on such verification.
  - (c) According to the information and explanations given by the management, there are no immovable properties, included in property, plant and equipment of the Company and accordingly, the requirements under paragraph 3(i) (c) of the Order are not applicable to the Company.
- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not given loans or guarantees to directors or other persons in which a director is interested, or provided security in connection with a loan taken by them, to which provisions of section 185 and 186 of the Companies Act, 2013 apply and accordingly, we have nothing to report on compliance of section 185 and 186, in this regards. In our opinion and according to the information and explanations given to us, the Company has made investment in securities which is in compliance with the provision of section 186 of the Companies Act, 2013.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under Section 148(1) of the Companies Act, 2013, for the services of the Company.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, service tax, sales-tax, duty of custom, value added tax, cess and other material statutory dues have generally been regularly deposited with the appropriate authorities. There were significant delays during the year in depositing dues of service tax.
  - (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, sales-tax, duty of custom, value added tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The arrears of service tax, that remained outstanding as at the balance sheet date, for a period of more than six months from the date they became payable, is as follows:

(Amount in million)

Name of the Statute	Nature of the Dues	Amount	Period to which the amount relates	Due Date	Date of Payment
Finance Act, 1994	Service Tax	5.79	April 2016	August 5, 2016	Not yet paid
Finance Act, 1994	Interest delayed payment of service tax	4.22	January to September 2016	Various	Not yet paid

(c) According to the records of the Company, the dues outstanding of income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax and cess on account of any dispute, are as follows:

(Amount in million)

Name of the Statute	Nature of Dues	Amount	Period to which the amount relates	Forum where the dispute is pending
The Customs Act, 1962	Payment of custom duty towards repairs carried out abroad on its multisupport Vessels (Duty/Penalty/ Interest)	1,197	2002 and 2011	Commissioner of Customs (Import)
Finance Act, 1994	Service Tax (Tax)	77.37	2010-11 to 2014-15	Commissioner of Service tax
Finance Act, 1994	Service Tax (Tax)	14.04	2013-14 to 2015-16	Assistant Commissioner of Service tax

- (viii) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of loans to bank. The Company did not have any loan from financial institution or government and also did not have any debentures during the year.
- (ix) The Company has not raised any money way of further public offer / debt instruments and term loans hence; reporting under clause (ix) is not applicable to the Company and hence not commented upon.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given by the management, the managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under report and hence, reporting requirements under clause 3(xiv) are not applicable to the company and hence not commented upon.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him.
- (xvi) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SEAMEC LIMITED

#### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the Act)

We have audited the internal financial controls over financial reporting of SEAMEC Limited (the Company) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Notes to the Standalone Financial Statements for the year ended March 31, 2017

## 1 Corporate Information

SEAMEC Limited is a public Company incorporated in India under the provision of the Companies Act, 1956 having its registered office at A-901-905, 9th Floor, 215 Atrium, Andheri Kurla Road, Andheri East, Mumbai-400 093. Its shares are listed on two recognised stock exchanges in India. The Company operates Multi Support Vessels for providing support services including marine, construction and diving services to offshore oilfields. The Company caters in both domestic as well as International Market.

The Standalone Financial statements were authorised for issue in accordance with a resolution of the directors on May 30, 2017.

## 2 Basis of preparation

Ministry of Corporate Affairs notified roadmap to implement Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015. As per the said roadmap, the Company is required to apply Ind AS starting from financial year beginning on or after 1st April, 2016.

Accordingly, the financial statements of the Company have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

For all periods up to and including the year ended March 31, 2016, the Company prepared its financial statements in accordance accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP) as amended by the Companies (Accounts) Rules, 2015. These financial statements for the year ended March 31, 2017 are the first the company has prepared in accordance with Ind AS. (Refer Note 53) for information on how the company adopted Ind AS.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments),

The Standalone Financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest thousand, except otherwise stated.

#### 3 Summary of Significant Accounting Policies

# (a) Use of Judgements, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

## **Estimates and Assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

# Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

## (b) Classification of Current and Non-Current

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- i) Expected to be realized or intended to be sold or consumed in normal operating cycle,
- ii) Held primarily for the purpose of trading,
- iii) Expected to be realized within twelve months after the reporting year, or
- iv) Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting year.

All other assets are classified as noncurrent.

A liability is current when:

- i) It is expected to be settled in normal operating cycle,
- ii) It is held primarily for the purpose of trading,
- iii) It is due to be settled within twelve months after the reporting year, or
- iv) There is no unconditional right to deter the settlement of the liability for at least twelve months after the reporting year.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non - current assets and liabilities, as applicable.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

#### (c) Property, plant and equipment.

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation / amortization and impairment losses, if any. The cost comprises of the purchase price (net of CENVAT and VAT credit wherever applicable) and any attributable cost of bringing the property, plant and equipment to its working condition for its intended use.

Capital work-in-progress includes cost of property, plant and equipment under installation / under development / under Dry Docking as at the balance sheet date.

Subsequent expenditures related to an item of property, plant and equipment are added to its gross book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

When a major inspection/ overhaul is performed, its cost is recognized in the carrying amount of the related property, plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in statement of profit and loss as incurred.

The Company identifies and determines separate useful life for each major component of property, plant and equipment, if they have useful life that is materially different from that of the remaining asset. The Company has identified expenditure incurred on dry-docking as a separate component which is capitalised as the cost of the relevant vessel and is amortized systematically over the interval until the subsequent scheduled dry-docking.

Items such as Machinery spares is recognised in accordance with Ind AS 16 "Property, Plant and Equipment" when they meet the definition of property, plant and equipment. Otherwise, such items are classified as inventories.

Property, plant and equipment not ready for the intended use on the date of Balance Sheet are disclosed as Capital work-in-progress. Advances given towards acquisition of fixed property, plant and equipments outstanding at each Balance Sheet date are disclosed as Capital Advances under "Other Non Current Assets".

Losses arising from the retirement of, and gains and losses arising from disposal of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the property, plant and equipment and are recognised in the statement of profit and loss when the property, plant and equipment is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

## (d) Depreciation on Property, plant and equipment

Depreciation on property, plant and equipment is provided using the Straight Line Method as per the useful lives of the property, plant and equipment estimated by the management. The Management estimates the useful life for property, plant and equipment as follows.

Assets	Useful life (In Years)
Fleet (Multi Support Vessels)	15 to 20
Fleet (Utility Vessel )	5
Fleet (Bulk Carrier )	25
Fleet Equipments	2 to 20
Lease hold improvements	5
Office Equipments and Computers	3 to 10
Vehicles	4

For these class of property, plant and equipment, based on technical evaluation carried out by the management, the useful lives as given above best represent the period over which the management expects to use these property, plant and equipment. The useful lives for these property, plant and equipment are different from the useful lives as prescribed under Part C of schedule II of the Companies Act 2013. The Management believes that these estimated use full lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Machinery spares which are capitalised, are depreciated over the balance useful life of the respective property, plant or equipment or the balance useful life of mother vessel, whichever is lower.

# Residual Value:

The useful lives and residual values of the Company's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

## (e) Intangible Assets and Amortisation

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably.

Intangible assets are stated at cost of acquisition less accumulated amortization and impairment losses, if any. Intangible assets are amortized over their estimated useful economic life. Computer Software cost is amortized over a period of five years using straight-line method.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

## (f) Non-current assets held for sale

The Company classifies non-current assets as held for sale, if their carrying amounts will be recovered principally through a sale. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification.

For these purposes, sale transactions include exchanges of non-current assets for other non-current assets when the exchange has commercial substance. The criteria for held for sale classification is regarded met only when the assets is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales of such assets, its sale is highly probable; and it will genuinely be sold, not abandoned. The Company treats sale of the asset or to be highly probable when:

- (a) The appropriate level of management is committed to a plan to sell the asset,
- (b) An active programme to locate a buyer and complete the plan has been initiated,
- (c) The asset is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- (d) The sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and
- (e) Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell.

Assets classified as held for sale are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale to owners are not depreciated or amortised.

# (g) Impairment of Non Financial Assets

As at each balance sheet date, the Company assesses whether there is an indication that an asset may be impaired and also whether there is an indication of reversal of impairment loss recognized in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, if any, the Company determines the recoverable amount and impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

# (h) Inventories

Inventories consist of stores and consumables for use in running of fleets. These are valued at lower of cost and net realizable value. Cost is determined on weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

An item of spare part meets the definition of 'property, plant and equipment' and satisfies the recognition criteria as per paragraph 7 of Ind AS 16, such an item of spare is recognised as property, plant and equipment. If that spare part does not meet the definition and recognition criteria as cited in paragraph 7 of Ind AS 16 that spare is recognised as inventory. Spare parts are generally available for use from the date of its purchase. Accordingly, spare parts recognised as property, plant and equipment are depreciated when the same are available for use.

#### (i) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits.

#### (j) Retirement and other employee benefits

Retirement benefits in the form of Provident Fund are a defined contribution scheme. The Company's contributions paid / payable towards these defined contribution plan is recognized as expense in the Statement of Profit and Loss during the year in which the employee renders the related service. There are no other obligations other than the contribution payable to the respective fund. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Contribution to Superannuation Fund, a defined contribution plan, is made to the Life Insurance Corporation of India, as per the arrangement with them, and the contributions are charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due.

Gratuity, a defined benefit scheme is covered by a Group Gratuity cum Life Assurance Policy with Life Insurance Corporation of India ("LIC"). Annual contribution to the fund is as determined by LIC. The shortfall between the accumulated funds available with LIC and liability as determined on the basis of an actuarial valuation is provided for as at the year-end. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the year in which they occur. Remeasurements are not reclassified to profit or loss in subsequent years.

Past service costs are recognised in profit or loss on the earlier of:

The date of the plan amendment or curtailment and the date that the company recognises related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

Service costs comprising current service costs, past-service costs, gains and losses on curtailments and nonroutine settlements; and Net interest expense or income.

Short term compensated absences are provided for based on estimates. The Company presents these as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

## (k) Foreign Currency transactions

The Company's financial statements are presented in INR, which is also the Company's Functional Currency.

## i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency by applying, to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the fortnightly average rates.

#### ii) Conversion

At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

# iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise. The gain or loss arising on translation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to the translation difference. (i.e. translation differences on items whose gain or loss is recognised in other comprehensive income or the statement of profit and loss is also recognised in other comprehensive income or the statement of profit and loss respectively).

## (I) Taxes on Income

Tax expense comprises of Current Tax, Deferred Tax and tax adjustments of earlier years. Current Income tax liability on shipping income is determined based on the net tonnage of each of its vessels, in accordance with section 115VT of the Income Tax Act, 1961. Income other than shipping income is taxed in accordance with the other provisions of the Income Tax Act, 1961.

#### **Deferred Tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for the financial reporting purposes at the reporting date. Deferred tax liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax liabilities / Assets are not recognised for all taxable temporary differences, except for Non shipping income/ Expenses, since the Company is assessed under section 115VT of the Income Tax Act, 1961.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

# (m) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangement since it is the primary obligor in all the revenue arrangement as it has pricing latitude and it has also exposed to credit risk.

#### i) Charter hire income and related services

It comprises income from charter hire of multi-support vessels and income from supply of marine and diving crew and services. Charter hire revenues are recognised at contracted rates over the charter period. Revenues from supply of crew and services are classified as other operating revenue and recognised on rendering of the service, based on day rate charges as per the terms of the agreements.

The Company collects service tax on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

## ii) Interest & Dividend Income

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate, which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instruments or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in the statement of profit and loss. Dividend income is recognised when the Company's right to receive dividend is established by the Balance Sheet date.

#### (n) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

## Operating Lease (Company as a lessee).

Leases where the lessor effectively retains substantially all the risks and rewards of the ownership are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight line basis over the lease term.

## (o) Provisions

A provision is recognized when the Company has a present obligation (Legal or Constructive) as a result of past events, if it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## (p) Segment Reporting

The Chief Operational Decision Maker monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The Operating segments have been identified based on geographical location of the vessel. The operating segments have been disclosed based on revenues within India and outside India.

#### (a) Earnings per Share

Basic earnings per share are calculated by dividing the net profit/loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of diluted potential equity shares, if any.

## (r) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

#### (s) Borrowing Costs

Borrowing costs directly attributable to the acquisition and construction of an asset which takes a substantial period of time to get ready for its intended use, are capitalized as a part of the cost of such assets, until such time the asset is substantially ready for its intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the year in which they occur.

Borrowing costs consist of interest and other costs incurred in connection with borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

#### (t) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### **Financial Assets**

# Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

## Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- (i) Debt instruments at fair value through other comprehensive income (FVTOCI).
- (ii) Debt instruments at fair value through profit or loss (FVTPL).

#### Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to statement of profit and loss.

# Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

#### Derecognition

A financial asset is primarily derecognised when:

The rights to receive cash flows from the asset have expired, or

The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

## Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure: Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

The company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent year, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the company reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an company is required to consider:

All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument

Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

As a practical expedient, the company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed. On that basis, the company estimates the following provision matrix at the reporting date:

Particulars	Outstanding Less than 180 days	More than 180 days but less than 365 days	More than 365 days
Government PSUs	0.00%	0.00%	5.00%
Related Party	0.00%	0.00%	5.00%
Receivable against Payables*	0.00%	0.00%	0.00%
Customers where the Ultimate customer is Government PSU	0.00%	0.00%	5.00%
Others	0.00%	12.18%	17.18%

<sup>\*</sup>It includes receivables where credit risk is NIL as there will be payables against the same parties.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below: Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.

#### **Financial liabilities**

## Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as loans and borrowings, or payables, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

## Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

# Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

# Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

## Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

#### Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

## Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### (u) Unbilled Revenue and Billing in excess of revenue

Unbilled revenue represents the aggregate of costs chargeable and margin earned under projects in progress as of the balance sheet date. Such amounts become billable according to the contract terms which usually consider the passage of time, achievement of certain milestones or completion of the project.

Contract revenue earned in excess of billing has been reflected under "Other Financial Assets" and billing in excess of contract revenue is reflected under "Other Financial Liabilities" in the balance sheet.

## (v) Fair Value Measurement

The Company measures financial instruments at fair value each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Management determines the policies and procedures for both recurring fair value measurement, such as unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations. The Management comprises of the head of the investment properties segment, heads of the Company's internal mergers and acquisitions team, the head of the risk management department, financial controllers and chief finance officer.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

## Nature and Purpose of Reserves:

# (1) Capital redemption reserve:

Capital redemption reserve was created upon buy back of equity shares. The Company may utilise this reserve in compliance with the provisions of the Companies Act 2013.

## (2) Securities premium:

Securities premium account is created when shares are issued at premium. The reserve is utilised for the specific purposes (including buy back of equity capital) permitted by the Companies Act 2013.

# (3) Tonnage tax reserve u/s 115VT of Income Tax Act, 1961:

A tonnage tax company shall, subject to and in accordance with the provisions of section 115VT of the Income Tax Act, 1961, on yearly basis credit to tonnage tax reserve account, an amount not less than twenty percent of the book profit derived from the activities referred to in clauses (i) and (ii) of sub-section (1) of section 115V-I of the Income Tax Act, 1961. The Company can utilise this reserve as per provisions of Income Tax Act 1961.

Claim against the Company not acknowledge as debts			
FERA Matter (refer note a below)	100	100	100
Custom Duty payable as per order from Commissioner of Customs (Import) (refer note b below)	1,197	1,197	1,197
Claim by Vendor (refer note c below)	30	30	-

- The case against the Company alleging violation of Foreign Exchange Regulation Act 1973 (FERA), related to acquisition of Land drilling Rig, is pending before the Hon'ble Mumbai High Court. The Company has furnished a Bank Guarantee of ₹ 100 million to the Enforcement Directorate, FERA, towards penalty imposed, as directed by the Hon'ble Mumbai High Court. The bank guarantee is valid till September 30, 2017. No provision is considered necessary in respect of the said penalty as the management believes, based on legal opinion, that there has been no contravention to FERA.
- b During the year 2011, the Directorate of Revenue Intelligence (DRI) had instituted an enquiry in relation to payment of customs duty towards repairs/dry-dock undertaken on Company's vessels SEAMEC-I, SEAMEC-II and SEAMEC-III incurred outside India since 2002. The DRI provisionally assessed customs duty of ₹ 126.60 million, which the Company has paid under protest subject to adjudication in December 2011.

The Company had also furnished a bank Guarantee for ₹82.10 million and Bond for ₹821 million pursuant to the order dated January 17, 2012 of Hon'ble Mumbai High Court for provisional release of its vessel SEAMEC II arrested by Customs. The above order was subject to adjudication. Hon'ble High Court observed that no duty to be charged on the acquisition cost as the vessel was originally imported prior to 2001 when import duty was not applicable on such vessel.

During July – August 2012, DRI issued show cause notice, separately for each vessel as to why the duty determined of aggregate value of ₹ 285.26 million, interest, penalty etc. will not be levied on the Company.

The Company while preferring adjudication have submitted replies to respective show cause notices, and hearing on adjudication proceeding completed before the Commissioner of Customs (Import) on December 4, 2012.

Subsequent to above, the Company has received 3 corrigendum to the original show cause notices enhancing the claim of custom duty by ₹ 65.14 million against the above claim.

Commissioner of Customs has issued order dated March 28, 2013 received by Company on April 16, 2013 on the adjudication proceedings. Commissioner of Customs, in his order, imposed duty ₹ 350 million, penalty for equivalent amount and interest and appropriation of ₹ 126.60 million paid in December 2011. As per the order of Commissioner of Customs, total claim to Company including duty, penalty, interest and confiscation fine calculated to ₹ 1,197 million after adjustment of provisional duty already paid in December 2011 under protest.

The Company has since obtained stay from CESTAT Appellate Tribunal, customs against the order of commissioner of customs for vessel SEAMEC-II, SEAMEC II & SEAMEC-I. While pending the appeal, Honorable CESTAT allowed the vessels to go out of India upon furnishing the Bank Guarantee aggregating to ₹ 70 million to ensure vessels return to India during the granted period. Upon return of vessels the aggregate Bank Guarantee of ₹ 70 million has been revoked. The Company is of the view that it has a strong case on merit and is contesting the same. Hence no further provision made towards additional Customs Duty, Penalty and Confiscation redemption fine as stated in the order of Commissioner of Customs.

- c During the previous year, the Company had executed marine and diving activities jointly with a diving company, wherein the customer has claimed an amount of ₹ 30 million from the Company on account of alleged defective performance which is subject to final settlement/resolution. The management's view is that the claim in regard to the alleged defective performance pertains to the scope of work performed by the diving Company. Accordingly, the Company does not acknowledge this claim as debt because the company expects a positive outcome.
- d During the year, the Company has received Audit Memo issued by the Assistant Commissioner of Service Tax, pertaining to disallowance of certain CENVAT credit availed during the period of FY 2013-14 to 2015-16 to the extent of ₹ 14.03 million. Based on the opinion taken from an expert, the management believes that they have good case and no adjustment is required in this regards.

#### Notes:

- (a) The Company does not expect any reimbursement in respect of the above contingent liabilities.
- (b) It is not practicable to estimate the timing of cash flows, if any, in respect of matters at (a) to (d) above, pending resolution of the proceedings.

#### 38. Commitments

#### a. Capital Commitments

Estimated amount of contracts remaining to be executed on capital account and not provided for  $\stackrel{?}{\scriptstyle <} 8.53$  million (31.03.2016 :  $\stackrel{?}{\scriptstyle <} 20.06$ ) (01.04.2015  $\stackrel{?}{\scriptstyle <} NIL$ ).

# b. Other Commitment

There are no material non cancellable contractual commitments. For commitments relating to lease arrangement (refer Note-46).

## 39. Trade Receivables as disclosed in Notes 7 & 14, are net of provisions for :

- (a) ₹ 1134.70 million receivable from Swiber Offshore (India) Private Limited "SOI" and Swiber Offshore Constructions Pte Ltd "SOC", Singapore, against which the Company had initiated legal action in India and Singapore. Management believes SOI does not have any significant realizable assets, and SOC is under Judicial Management in Singapore, where the Company is an unsecured creditor. Considering the above status, management had made a provision for doubtful debts of ₹ 1134.70 million in the current year.
- (b) ₹ 176.50 million (net of provision of ₹ 52.30 million recognised in earlier year) receivable from Seahorse General Contracting Establishment, UAE which pertains to the year ended March 31, 2015 and in respect of which legal action was initiated. However, considering the limited progress in the matter, the Management recognized the additional provision of ₹ 176.50 million in the current year.
- (C) ₹71.30 million receivable from Synergy Subsea Engineering LLC, UAE ('Synergy') relating to charter hire for a vessel. There has been no substantial progress in recovery despite efforts made. The Company is now contemplating legal action, but no time frame can be reasonably ascertained, and consequently, the amount receivable has been provided for during the current year.

# 41 Segment Information

For management purposes, the company is organised into business units based on its services and has two reportable segments i.e Domestic and Overseas.

The chief operational decision maker monitors the operating results of its Business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The Operating segments have been identified based on geographical location of the vessel. The operating segments have been disclosed based on revenues within India and outside India.

#### 45 Gratuity and other post-employment benefit plans

#### 1 Defined Contribution Plans:

Amount of ₹ 1.81 million (31.03.2016: ₹ 1.99 million) is recognised as an expense and included in Employee Benefit Expense (refer note 31) in statement of profit and Loss.

#### 2 Defined Benefit Plans:

The Company has a defined benefit gratuity plan. Every employee (other than crew who have covered under separate scheme) who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded with an insurance Company in the form of a qualifying insurance policy.

The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. The fund has the form of a trust and it is governed by the Board of Trustees, which consists of an equal number of employer and employee representatives. The Board of Trustees is responsible for the administration of the plan assets and for the definition of the investment strategy.

Each year, the Board of Trustees reviews the level of funding in the India gratuity plan. Such a review includes the assetliability matching strategy and investment risk management policy. The Board of Trustees decides its contribution based on the results of this annual review.

The Obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation.

The following tables summaries the components of net benefit expense recognized in the statement of profit and loss and other comprehensive income the funded status and amounts recognized in the balance sheet for the respective plans.

#### Statement of Profit and Loss

Remeasurement (gains) / losses on obligation-Due to experience.	(0.45)	(1.14)	0.39
Closing defined benefit obligation	6.18	7.25	7.64

# Changes in the fair value of plan assets are as follows:

Opening fair value of plan assets	7.89	7.22	9.25
Interest Income	0.62	0.58	0.83
Contributions by employer	0.11	0.17	0.03
Benefits paid	(1.88)	(0.09)	(2.73)
Return on Plan Assets excluding Interest income	(0.10)	(0.01)	(0.16)
Closing fair value of plan assets	6.64	7.89	7.22

The Company expects to contribute ₹ Nil (31.03.2017: 0.1 million) to gratuity in F.Y.2017-18.

# The major categories of plan assets as a percentage of the fair value of total plan assets are as follows:

Investments with insurer	100%	100%	100%
--------------------------	------	------	------

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

# The principal assumptions used in determining gratuity for the Company's plans are shown below:

Discount rate	6.81%	7.84%	8.04%
Salary Escalation	6.00%	6.00%	7.00%
Attrition Rate	10.00%	10.00%	10.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

A quantitative sensitivity analysis for significant assumptions as at March 31, 2017 is as shown below:

Sensitivity Analysis		₹ million

Delta Effect of $+1\%$ Change in Rate of Employee Turnover	-	0.01
Delta Effect of -1% Change in Rate of Employee Turnover	_	(0.01)

## 46 Leases

## **Operating Lease Commitments:**

Office premises are obtained on operating lease / leave and license. The lease term is for the period of 1 to 9 years and renewable at the option of the Company. There are no restrictions imposed by lease arrangements. The total lease term is for a period of 108 months out of which there is a lock-in period of initial 60 months.

Minimum lease payments under non-cancellable operating lease / leave and license are as follow (₹ million):

Particulars	Year ended 31.03.2017	Year ended 31.03.2016
i. Payable Not later than one year	21.05	28.41
ii. Payable Later than one year but not later than five years	37.68	79.29
iii. Payable Later than five years	-	-
Lease payments recognized in the Statement of Profit and Loss	49.01	31.20

The lease fees shall be increased by 15% over the last monthly lease fee paid after completion of every 36 months from the rent commencement date of the lease deed agreement.

## 47 Fair Value

Set out below, is a comparison by class of the carrying amounts and fair value of the financial instrument of the company, other than those with carrying amounts that are reasonable approximations of fair values:

Particulars	Year ended         Year ended           31.03.2017         31.03.2016					riod ended 01.04.2015
	Carrying Value	Fair Value	Carrying Value	Fair Value	Carrying Value	Fair Value
Financial assets						
Security deposit	11.75	13.03	15.56	16.33	13.68	13.68
Total	11.75	13.03	15.56	16.33	13.68	13.68

The management assessed that the fair value of Trade receivables, cash and cash equivalents, other Bank Balance, Other financial assets, Trade payables, Borrowings and other financials liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.

#### **Fair Value Hierarchy**

The following table provides the fair value measurement hierarchy of the company's assets.

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2017, March 31, 2016 and April 1, 2015:

		Fair value measurement using			
Particulars	Date of Valuation	Total	Quoted price in Active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Assets measured at fair value					
Investment in Mutual Fund	31-Mar-17	347.52	347.52	-	-
Investment in Mutual Fund	31-Mar-16	314.33	314.33	-	-
Investment in Mutual Fund	01-Apr-15	70.36	70.36	-	-

There have been no transfers between Level 1 and Level 2 during the year.

## 48 Managerial Remuneration

For the year ended March 31, 2016, due to inadequacy of profits, remuneration paid to the Managing Director exceeded the limit prescribed under Section 197 read with Schedule V of the Companies Act, 2013 by ₹ 3.67 million. Subsequently, the Ministry of Corporate Affairs vide notification dated September 12, 2016 amended the Schedule V of Companies Act, 2013 and revised the limit on the remuneration payable to the managerial personnel by a company having no profit or inadequate profit without the Central Government approval. Consequent upon the above, and based on the opinion of a legal expert, management believes that specific approval of Central Government is not required. However, as a matter of abundant caution, the Company has submitted an application to the Central Government seeking waiver from recovery of such excess amount of remuneration. The Central Government's response is awaited. Having regard to the facts and circumstances, in the opinion of the management, no adjustments to the financial statements are warranted at this stage.

# 49 Details Of Dues To Micro And Small Enterprises As Defined Under The Micro, Small And Medium Enterprises Development Act, 2006:

Particulars	As at 31.03.2017	As at 31.03.2016	As at 01.04.2015
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year*			
- Principal amount due to micro and small enterprises	6.50	5.91	-
- Interest due on above	1.39	-	-
- The amount of interest paid by the buyer in terms of section 16 of the MSMED Act 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-	-
<ul> <li>The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the period) but without adding the interest specified under the MSMED Act 2006.</li> </ul>	-	-	-
- The amount of Interest accrued and remaining unpaid at the end of each accounting period.	1.39	-	-
- The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	-		-

<sup>\*</sup> Dues to Micro, Small and Medium Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the auditors.

## 50 Earning Per Share

The following reflects the profit and share data used in the basic and diluted EPS computations:

Particulars	Year ended 31.03.2017	Year ended 31.03.2016
Profit / (Loss) after tax	(1,495.91)	57.62
Net profit / (Loss) for calculation of basic and diluted EPS	(1495.91)	57.62
Weighted average number of equity shares outstanding (Nos.)	25.43	30.91
Basic & Diluted Earnings Per Share (FV ₹10/- each )	(58.84)	1.87

## 51 Financial Risk Management-Objectives And Policies

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The management assures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

#### a Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings.

The below assumption has been made in calculating the sensitivity analysis:

(1) The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2017 and March 31, 2016, and April 01, 2015

## Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of financial instrument will fluctuate due to change in market interest rates. The company is not exposed to any significant interest rate risk as at the respective reporting dates.

## Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to the company's operating activities (when revenue or expense is denominated in a foreign currency). Currency risk arises when future commercial transactions and recognized assets and liabilities are denominated in a currency that is not the company's functional currency. The company's foreign currency transactions are mainly in United State Dollars (USD).

The Company manages its foreign currency risk by natural hedging.

The following tables demonstrate the sensitivity to a reasonably possible change in USD and other exchange rates, with all other variables held constant. The impact on the company's profit before tax is due to changes in the fair value of monetary assets and liabilities.

Particulars	Change in Currency rate	Effect on Profit Before Tax
USD	1%	3.65
Other Currency	1%	(0.03)
USD	-1%	(3.65)
Other Currency	-1%	0.03

#### b Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables and from it's financing activities, including deposits with banks, foreign exchange transactions and other financial instruments.

#### **Trade Receivables:**

Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets.

## Financial Instruments and cash deposits

Credit risk from balances with banks is managed by the company's senior management.

The company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2017, March 31, 2016 and April 1, 2015 is the carrying amounts as illustrated in respective notes.

## c Liquidity risk

Liquidity risk is the risk that an enterprise will encounter difficulty in raising funds to meet commitments associated with financial instruments. Liquidity risk may result from inability to sell a financial asset quickly at close to its fair value. Liquidity risk is managed by monitoring on a regular basis that sufficient funds are available to meet any future commitments.

The table below summarises the maturity profile of the company's financial liabilities based on contractual undiscounted payments.

Particulars	On Demand	Not yet Due	Less than3 Months	3 to 12 Months	>1 Year	Total
(a) Borrowings	-	ı	-	179.09	1	179.09
(b) Trade payables	1,021.33	203.23	-	-	-	1,224.56
(c) Other Financial liabilities	141.11	-	-	2.05	-	143.16

# 52 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the company. The primary objective of the company's capital management is to maximise the shareholder value.

The company manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The company includes with in net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents. The Company's strategy is to maintain a gearing ratio with 10%. The gearing ratios were as follows:

(₹ million)

Particulars	As at 31.03.2017	As at 31.03.2016	As at 01.04.2015
Debt (Note 24)	179.09	281.08	127.31
Equity	2703.99	4199.77	5250.00

## 53 Disclosures as Required by Indian Accounting Standard (In AS) 101 First Time Adoption of Indian Accounting Standards.

These financial statements, for the year ended March 31, 2017 are the first, the company has prepared in accordance with Ind AS. For the periods up to and including the period ended March 31, 2016 the company prepared its financial statements in accordance with the accounting standards notified under section 133 of the companies Act 2013, read together with Paragraph 7 of the companies (Accounts) Rules ,2014 (Indian GAAP) and amendmends thereunder.

Accordingly, the company has prepared financial statements which comply with Ind AS applicable for year ended March 31, 2017, together with the comparative period data as at and for the year ended March 31, 2016, as described in the summary of significant accounting policies. In preparing these financial statements, the company's opening balance sheet was prepared as at April 1, 2015, the company's date of transition to Ind AS. This note explains the principal adjustments made by the company in restating its Indian GAAP financial statements, including the balance sheet as at April 1, 2015 and the financial statements as at and for the year ended March 31, 2016.

## **Exemptions applied**

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS, The company has applied the following exemptions:

- (a) The Company has elected to apply previous GAAP carrying amount of its property, plant and equipment as deemed cost as on the date of transition to Ind AS since there is no change in it's functional currency on the date of transition to Ind AS.
- (b) The Company has elected to apply previous GAAP carrying amount of its investment in Subsidiary as deemed cost as on the date of transition to Ind AS.

#### **Exceptions**

The following mandatory exceptions have been applied in accordance with Ind AS 101 in preparing the financial statements.

#### (a) Estimates

The estimates at April 1, 2015 and at March 31, 2016 are consistent with those made for the same dates in accordance with India GAAP (after adjustments to reflect any differences if any, in accounting policies) apart from the following items where application of Indian GAAP did not require estimation:

Impairment of Financial assets based on Expected Credit Loss model.

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions as at the transition date and as of March 31, 2016.

# (b) Derecognition of financial assets and financial liabilities

The Company has elected to apply the derecognition requirements for financial assets and financial liabilities in IND AS 109 prospectively for transactions occurring on or after the date of transition to IND AS.

#### (c) Classification and measurement of financial assets

The Company has classified the financial assets in accordance with IND AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

Refer reconciliation of Equity on account of conversion of financials from Indian GAAP to Ind As.

Footnotes to the reconciliation of equity as at 1 April 2015 and 31 March 2016 and profit or loss for the year ended 31 March 2016

### (a) Fair Value through profit or loss (FVTPL) financial assets

Under Indian GAAP, the Company accounted for investments in unquoted equity shares as investment measured at cost less provision for other than temporary diminution in the value of investments.

Under Ind AS, the Company has designated such investments as FVTPL investments. Ind AS requires FVTPL investments to be measured at fair value. At the date of transition to Ind AS, difference between the instruments fair value and Indian GAAP carrying amount has been recognised as a separate component of equity, net of related deferred taxes.

The difference between Fair Value and the Indian GAAP carrying amount has been recognised in retained earnings.

### (b) Statement of Cash flows

The transition from Indian GAAP to Ind AS has not had a material impact on the statement of cash flows.

### (c) Provisions

Under Indian GAAP, proposed dividends including DDT are recognised as a liability in the period to which they relate, irrespective of when they are declared. Under Ind AS, a proposed dividend is recognised as a liability in the period in which it is declared by the company (usually when approved by shareholders in a general meeting) or paid. On April 1, 2015. The proposed dividend for the year ended on March 31, 2015 of ₹ 40.84 Millions (including Dividend Distribution tax of ₹ 6.94 Millions) recognized under Indian GAAP was reduced from Provisions and with a corresponding impact in the retained earnings.

### (d) Defined Benefit Plan

Both under Indian GAAP and Ind AS, the Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to profit or loss. Under Ind AS, remeasurements [comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability] are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI.

### (e) Deferred Tax

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period, whereas Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base.

The transitional adjustments lead to temporary differences. According to the accounting policies, the Company has to account for such differences and Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or a separate component of equity. On the date of transition, the net impact on deferred tax liabilities is of ₹ 0.07 Million.

### (f) Transaction Cost

Under the Indian GAAP the Company recognised transaction costs relating to Buyback of Equity shares in the statement of profit or loss. Ind AS 32 requires such transaction costs to be allocated to the Equity Component of the instrument.

### (g) Other Comprehensive Income

Under Indian GAAP, the company has not presented other comprehensive income (OCI) separately. Hence, it has reconciled Indian GAAP profit or loss to profit or loss as per Ind AS. Further, Indian GAAP profit or loss is reconciled to total comprehensive income as per Ind AS.

### (h) Loans-Deposits

Company has given interest free refundable security deposit towards office rent, which is been brought to Fair value as per Ind AS 109. The difference between the nominal value of Security Deposit and Fair value of Security Deposit is considered as additional rent payable to the lessor. However at the same time the above difference is also recognized as interest income as per amortisation pattern. The additional rent recognized is expensed out on straight line basis over the tenure of agreement.

### (i) Property Plant & Equipment

The company has capitalised Spares which meets the definition of Property, Plant and Equipment as per Ind AS 16-Property, plant and Equipment. The same has been capitalised as at the transition date which were recognised as inventory as per the Indian Accounting Standard.

### (j) Sale of Saturation Diving System

Company has entered into sales agreement for sale of Saturation Diving system in the year 2014-15. The agreement had deferred payment term. Payment being spread over a period of 2 years. Hence the difference between the fair value of receivable and actual amount receivable is recognized as interest income.

### 54. Standard issued but not effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flows'. The amendments are applicable to the Company from April 1, 2017.

### Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and noncash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

### INDEPENDENT AUDITOR'S REPORT

### To the Members of SEAMEC Limited

### Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of SEAMEC Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the consolidated Balance Sheet as at March 31, 2017, the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated Cash Flow Statement, the consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standard) Rules, 2015, as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditors on separate financial statement and on the other financial information of the Subsidiary, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2017, their consolidated loss including other comprehensive income and their consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

### **Emphasis of Matter**

We draw attention to note 48 to the consolidated financial statements, regarding application made by the Company to the Central Government, seeking waiver from recovery of managerial remuneration of ₹ 3.66 million, which was paid in excess of the limits specified under the Companies Act, 2013, for the financial year 2015-16. Pending approval of the Central Government, no adjustments are considered necessary by management in this regard. Our opinion is not qualified in respect of this matter.

### Report on Other Legal and Regulatory Requirements

As required by section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- (a) We / the other auditors whose reports we have relied upon, have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated Ind AS financial statements;
- (b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors:
- (c) The consolidated Balance Sheet, consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the consolidated Cash Flow Statement and consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standard) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016;
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2017 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Holding Company and its subsidiary company, since the subsidiary company is not incorporated in India, no separate report on internal financial control over financial reporting of Holding Company being issued; refer Annexure 2 to our report of even date on the standalone financial statements of the Holding Company.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiary, as noted in the 'Other matter' paragraph:
  - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on its consolidated financial position of the Group Refer Note 37 to the consolidated Ind AS financial statements;
  - ii. The Group did not have any material foreseeable losses in long-term contracts including derivative contracts during the year ended March 31, 2017.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company during the year ended March 31, 2017.
  - iv. The Holding Company have provided requisite disclosures in Note 40 to these consolidated Ind AS financial statements as to the holding of Specified Bank Notes on November 8, 2016 and December 30, 2016 as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016. Based on our audit procedures and relying on the management representation of the Holding Company regarding the holding and nature of cash transactions, including Specified Bank Notes, we report that these disclosures are in accordance with the books of accounts maintained by the Holding Company and as produced to us by the Management of the Holding Company.

### Other Matter

(a) We did not audit the financial statements and other financial information, of a subsidiary whose financial statements includes total assets of ₹739.80 million and net assets of ₹776.70 million as at March 31, 2017, and total revenues of ₹12.80 million for the year ended on that date and net cash outflow of ₹2.50 million for the year ended on that date. These financial statements, prepared in accordance with accounting principles generally accepted in the subsidiary's country of incorporation, have been audited by another auditor under generally accepted auditing standards applicable in that country. The Company's management has converted these financial statements from accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the report of such other auditors.

Our above opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

### Notes to Consolidated Financial Statements for the year ended March 31, 2017

### 1 Corporate Information

The consolidated financial statements comprise financial statements of SEAMEC Limited (the company) and its subsidiary (collectively, the Group) for the year ended March 31, 2017. The company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office of the company is located at A-901-905, 9th Floor, 215 Atrium, Andheri–Kurla Road, Andheri (East), Mumbai-400069, India.

The consolidated Financial statements were authorised for issue in accordance with a resolution of the directors on May 30, 2017.

### 2 Basis of preparation

Ministry of Corporate Affairs notified roadmap to implement Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015. As per the said roadmap, the Company is required to apply Ind AS starting from financial year beginning on or after April 1, 2016.

Accordingly, the consolidated financial statements of the group have been prepared in accordance with Ind AS notified under the companies (Indian Accounting Standards) Rules 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

For all periods up to and including the year ended March 31, 2016, the group prepared its financial statements in accordance accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP) as amended by the Companies (Accounts) Rules, 2015. These consolidated financial statements for the year ended March 31, 2017 are the first the company has prepared in accordance with Ind AS (Refer Note 53) for information on how the group adopted Ind AS.

The consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

The consolidated financial statements are presented in Indian Rupees ( $\mathfrak{F}$ ) and all values are rounded to the nearest thousand, except otherwise stated.

### 2.1 Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiary as at March 31, 2017. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee);

Exposure, or rights, to variable returns from its involvement with the investee; and

The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

The contractual arrangement with the other vote holders of the investee;

Rights arising from other contractual arrangements;

The Group's voting rights and potential voting rights; and

The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary

acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31st March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

### Consolidation procedure:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

Derecognises the assets (including goodwill) and liabilities of the subsidiary

Derecognises the carrying amount of any non-controlling interests

Derecognises the cumulative translation differences recorded in equity

Recognises the fair value of the consideration received

Recognises the fair value of any investment retained

Recognises any surplus or deficit in profit or loss

Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities

### 3 Summary of Significant Accounting Policies

### (a) Business combination and goodwill

In accordance with Ind AS 101 provisions related to first time adoption, the Group has elected to apply Ind AS accounting for business combinations prospectively from April 1, 2015. As such, Indian GAAP balances relating to business combinations entered into before that date have been carried forward with minimal adjustment (please refer note 53).

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any noncontrolling interests in the acquiree. For each business combination, the Group elects whether to measure the noncontrolling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

- (a) Deferred tax assets or liabilities, and the assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 Income Tax and Ind AS 19 Employee Benefits respectively.
- (b) Assets that are classified as held for sale in accordance with Ind AS 105 Non-current Assets Held for Sale and Discontinued Operations are measured in accordance with that standard.
- (c) Reacquired rights are measured at a value determined on the basis of the remaining contractual term of the related contract. Such valuation does not consider potential renewal of the reacquired right.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 Financial Instruments, is measured at fair value with changes in fair value recognised in profit or loss. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and subsequent its settlement is accounted for within equity.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocate to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

Where goodwill has been allocated to a cash-generating unit and part of the operation within that unit is disposed of, the goodwill associated with the disposed operation is included in the carrying amount of the operation when determining the gain or loss on disposal. Goodwill disposed in these circumstances is measured based on the relative values of the disposed operation and the portion of the cash-generating unit retained.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted through goodwill during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognized at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date.

### (b) Use of Judgements, Estimates and Assumptions

The preparation of the group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

### **Estimates and Assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

### Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

### (c) Classification of Current and Non-Current

The group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- i) Expected to be realized or intended to be sold or consumed in normal operating cycle,
- ii) Held primarily for the purpose of trading,
- iii) Expected to be realized within twelve months after the reporting year, or
- iv) Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting year.

All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle,
- ii) It is held primarily for the purpose of trading,
- iii) It is due to be settled within twelve months after the reporting year, or
- iv) There is no unconditional right to deter the settlement of the liability for at least twelve months after the reporting year.

The group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities, as applicable.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The group has identified twelve months as its operating cycle.

### (d) Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation / amortization and impairment losses, if any. The cost comprises of the purchase price (net of CENVAT and VAT credit wherever applicable) and any attributable cost of bringing the property, plant and equipment to its working condition for its intended use.

Capital work-in-progress includes cost of property, plant and equipment under installation / under development / under Dry Docking as at the balance sheet date.

Subsequent expenditures related to an item of property, plant and equipment are added to its gross book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. When a major inspection / overhaul is performed, its cost is recognized in the carrying amount of the related property, plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in statement of profit and loss as incurred.

The group identifies and determines separate useful life for each major component of property, plant and equipment, if they have useful life that is materially different from that of the remaining asset. The group has identified expenditure incurred on dry-docking as a separate component which is capitalised as the cost of the relevant vessel and is amortized systematically over the interval until the subsequent scheduled dry-docking.

Items such as Machinery spares is recognised in accordance with Ind AS 16 "Property, Plant and Equipment" when they meet the definition of property, plant and equipment. Otherwise, such items are classified as inventories.

Property, plant and equipment not ready for the intended use on the date of Balance Sheet are disclosed as "Capital work-in-progress". Advances given towards acquisition of fixed property, plant and equipments outstanding at each Balance Sheet date are disclosed as Capital Advances under "Other Non Current Assets".

Losses arising from the retirement of, and gains and losses arising from disposal of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the property, plant and equipment and are recognised in the statement of profit and loss when the property, plant and equipment is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

### (e) Depreciation on Property, plant and equipment

Depreciation on property, plant and equipment is provided using the Straight Line Method as per the useful lives of the property, plant and equipment estimated by the management. The Management estimates the useful life for property, plant and equipment as follows:

Assets	Useful life (In Years)
Fleet (Multi Support Vessels)	15 to 20
Fleet (Utility Vessel)	5
Fleet (Bulk Carrier)	25
Fleet Equipments	2 to 20
Lease hold improvements	5
Office Equipments and Computers	3 to 10
Vehicles	4

For these class of property, plant and equipment, based on technical evaluation carried out by the management, the useful lives as given above best represent the period over which the management expects to use these property, plant and equipment. The useful lives for these property, plant and equipment are different from the useful lives as prescribed under Part C of schedule II of the Companies Act 2013. The Management believes that these estimated use full lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Machinery spares which are capitalised, are depreciated over the balance useful life of the respective property, plant or equipment or the balance useful life of mother vessel, whichever is lower.

### Residual Value:

The useful lives and residual values of the group's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

### (f) Intangible Assets and Amortisation

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the group and the cost of the asset can be measured reliably.

Intangible assets are stated at cost of acquisition less accumulated amortization and impairment losses, if any. Intangible assets are amortized over their estimated useful economic life. Computer Software cost is amortized over a period of five years using straight-line method.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

### (g) Non-current assets held for sale

The group classifies non-current assets as held for sale, if their carrying amounts will be recovered principally through a sale. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification.

For these purposes, sale transactions include exchanges of non-current assets for other non-current assets when the exchange has commercial substance. The criteria for held for sale classification is regarded met only when the assets is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales of such assets, its sale is highly probable; and it will genuinely be sold, not abandoned. The group treats sale of the asset or to be highly probable when:

- (a) The appropriate level of management is committed to a plan to sell the asset,
- (b) An active programme to locate a buyer and complete the plan has been initiated,
- (c) The asset is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- (d) The sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and
- (e) Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell.

Assets classified as held for sale are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale to owners are not depreciated or amortised.

### (h) Impairment of Non Financial Assets

As at each balance sheet date, the Company assesses whether there is an indication that an asset may be impaired and also whether there is an indication of reversal of impairment loss recognized in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, if any, the Company determines the recoverable amount and impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

### (i) Inventories

Inventories consist of stores and consumables for use in running of fleets. These are valued at lower of cost and net realizable value. Cost is determined on weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

An item of spare part meets the definition of 'property, plant and equipment' and satisfies the recognition criteria as per paragraph 7 of Ind AS 16, such an item of spare is recognised as property, plant and equipment. If that spare part does not meet the definition and recognition criteria as cited in paragraph 7 of Ind AS 16 that spare is recognised as inventory. Spare parts are generally available for use from the date of its purchase. Accordingly, spare parts recognised as property, plant and equipment are depreciated when the same are available for use.

### (i) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits.

### (k) Retirement and other employee benefits

Retirement benefits in the form of Provident Fund are a defined contribution scheme. The group's contributions paid / payable towards these defined contribution plan is recognized as expense in the Statement of Profit and Loss during the year in which the employee renders the related service. There are no other obligations other than the contribution payable to the respective fund. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Contribution to Superannuation Fund, a defined contribution plan, is made to the Life Insurance Corporation of India, as per the arrangement with them, and the contributions are charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due.

Gratuity, a defined benefit scheme is covered by a Group Gratuity cum Life Assurance Policy with Life Insurance Corporation of India ("LIC"). Annual contribution to the fund is as determined by LIC. The shortfall between the accumulated funds available with LIC and liability as determined on the basis of an actuarial valuation is provided for as at the year-end. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the year in which they occur. Remeasurements are not reclassified to profit or loss in subsequent years.

Past service costs are recognised in profit or loss on the earlier of:

The date of the plan amendment or curtailment and the date that the group recognises related restructuring costs. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The group recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss: Service costs comprising current service costs, past-service costs, gains and losses on curtailments and nonroutine settlements; and Net interest expense or income.

Short term compensated absences are provided for based on estimates. The group presents these as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

The group treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains / losses are immediately taken to the statement of profit and loss and are not deferred.

### (I) Foreign Currency transactions

The Group's financial statements are presented in INR, which is also the parent company's Functional Currency.

### i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency by applying, to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the fortingtly average rates.

### ii) Conversion

At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

### iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting group's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise. The gain or loss arising on translation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to the translation difference. (i.e. translation differences on items whose gain or loss is recognised in other comprehensive income or the statement of profit and loss is also recognised in other comprehensive income or the statement of profit and loss respectively.)

### (m) Taxes on Income

### Income Tax

Tax expense comprises of Current Tax, Deferred Tax and tax adjustments of earlier years. Current Income tax liability on shipping income is determined based on the net tonnage of each of its vessels, in accordance with section 115VT of the Income Tax Act, 1961. Income other than shipping income is taxed in accordance with the other provisions of the Income Tax Act, 1961.

### **Deferred Tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for the financial reporting purposes at the reporting date.

Deferred tax liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax liabilities / Assets are not recognised for all taxable temporary differences, except for Non shipping income/ Expenses, since the Company is assessed under section 115VT of the Income Tax Act, 1961.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### (n) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair

value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The group has concluded that it is the principal in all of its revenue arrangement since it is the primary obligor in all the revenue arrangement as it has pricing latitude and it has also exposed to credit risk.

### i) Charter hire income

It comprises income from charter hire of multi-support vessels and income from supply of marine and diving crew and services. Charter hire revenues are recognised at contracted rates over the charter period. Revenues from supply of crew and services are classified as other operating revenue and recognised on rendering of the service, based on day rate charges as per the terms of the agreements.

The group collects service tax on behalf of the government and, therefore, it is not an economic benefit flowing to the group. Hence, it is excluded from revenue.

### ii) Interest & Dividend Income

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate, which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instruments or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in the statement of profit and loss. Dividend income is recognised when the group's right to receive dividend is established by the Balance Sheet date.

### (o) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

### Operating Lease (Group as a lessee)

Leases where the lessor effectively retains substantially all the risks and rewards of the ownership are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight line basis over the lease term.

### (p) Provisions

A provision is recognized when the group has a present obligation (Legal or Constructive) as a result of past events, if it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

### (q) Segment Reporting

The Chief Operational Decision Maker monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the consolidated financial statements.

The Operating segments have been identified based on geographical location of the vessel. The operating segments have been disclosed based on revenues within India and outside India.

### (r) Earnings per Share

Basic earnings per share are calculated by dividing the net profit/ loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of diluted potential equity shares, if any.

### (s) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The group does not recognize a contingent liability but discloses its existence in the consolidated financial statements.

### (t) Borrowing Costs

Borrowing costs directly attributable to the acquisition and construction of an asset which takes a substantial period of time to get ready for its intended use, are capitalized as a part of the cost of such assets, until such time the asset is substantially ready for its intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the year in which they occur.

Borrowing costs consist of interest and other costs incurred in connection with borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

### (u) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### **Financial Assets**

### Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the group commits to purchase or sell the asset.

### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- (i) Debt instruments at fair value through other comprehensive income (FVTOCI).
- (ii) Debt instruments at fair value through profit or loss (FVTPL).

### Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the group recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to statement of profit and loss.

### Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The group has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

### Derecognition

A financial asset is primarily derecognised when:

The rights to receive cash flows from the asset have expired, or

The group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

- (a) the group has transferred substantially all the risks and rewards of the asset, or
- (b) the group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

### Impairment of financial assets

In accordance with Ind AS 109, the group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

The group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent year, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the group reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an group is required to consider:

All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

As a practical expedient, the group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed. On that basis, the group estimates the following provision matrix at the reporting date:

Particulars	Outstanding Less than 180 days	More than 180 days but less than 365 days	More than 365 days
Government PSUs	0.00%	0.00%	5.00%
Related Party	0.00%	0.00%	5.00%
Receivable against Payables*	0.00%	0.00%	0.00%
Customers where the Ultimate customer is Government PSU	0.00%	0.00%	5.00%
Others	0.00%	12.18%	17.18%

<sup>\*</sup>It includes receivables where credit risk is NIL as there will be payables against the same parties.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below: Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the group does not reduce impairment allowance from the gross carrying amount.

### **Financial liabilities**

### Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as loans and borrowings, or payables, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

### Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

### Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### Reclassification of financial assets

The group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which

are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The group's senior management determines change in the business model as a result of external or internal changes which are significant to the group's operations. Such changes are evident to external parties. A change in the business model occurs when the group either begins or ceases to perform an activity that is significant to its operations. If the group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### (v) Unbilled Revenue and Billing in excess of revenue

Unbilled revenue represents the aggregate of costs chargeable and margin earned under projects in progress as of the balance sheet date. Such amounts become billable according to the contract terms which usually consider the passage of time, achievement of certain milestones or completion of the project.

Contract revenue earned in excess of billing has been reflected under Other Financial Assets and billing in excess of contract revenue is reflected under Other Financial Liabilities in the balance sheet.

### (w) Fair Value Measurement

The group measures financial instruments at fair value each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Management determines the policies and procedures for both recurring fair value measurement, such as unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in

### THIRTIETH ANNUAL REPORT 2016 - 2017

discontinued operations. The Management comprises of the head of the investment properties segment, heads of the Group's internal mergers and acquisitions team, the head of the risk management department, financial controllers and chief finance officer.

For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### Nature and Purpose of Reserves:

### (1) Capital redemption reserve:

Capital redemption reserve was created upon buy back of equity shares. The Company may utilise this reserve in compliance with the provisions of the Companies Act 2013.

### (2) Securities premium:

Securities premium account is created when shares are issued at premium. The reserve is utilised for the specific purposes (including buy back of equity capital) permitted by the Companies Act 2013.

### (3) Tonnage tax reserve u/s 115VT of Income Tax Act, 1961:

A tonnage tax company shall, subject to and in accordance with the provisions of section 115VT of the Income Tax Act, 1961, on yearly basis credit to tonnage tax reserve account, an amount not less than twenty percent of the book profit derived from the activities referred to in clauses (i) and (ii) of sub-section (1) of section 115V-I of the Income Tax Act, 1961. The Company can utilise this reserve as per provisions of Income Tax Act 1961.

	31.03.2017	31.03.2016	01.04.2015
NOTE 37 Contingent liabilities			
Claim against the Company not acknowledge as debts			
FERA Matter (refer note a below)	100	100	100
Custom Duty payable as per order from Commissioner of Customs (Import) (refer note b below)	1,197	1,197	1,197
Claim by Vendor (refer note c below)	30	30	-

- The case against the Company alleging violation of Foreign Exchange Regulation Act 1973 (FERA), related to acquisition of Land drilling Rig, is pending before the Hon'ble Mumbai High Court. The Company has furnished a Bank Guarantee of ₹ 100 million to the Enforcement Directorate, FERA, towards penalty imposed, as directed by the Hon'ble Mumbai High Court. The bank guarantee is valid till September 30, 2017. No provision is considered necessary in respect of the said penalty as the management believes, based on legal opinion, that there has been no contravention to FERA.
- b During the year 2011, the Directorate of Revenue Intelligence (DRI) had instituted an enquiry in relation to payment of customs duty towards repairs/dry-dock undertaken on Company's vessels SEAMEC-I, SEAMEC-II and SEAMEC-III incurred outside India since 2002. The DRI provisionally assessed customs duty of ₹ 126.60 million, which the Company has paid under protest subject to adjudication in December 2011.

The Company had also furnished a bank Guarantee for ₹82.10 million and Bond for ₹82.1 million pursuant to the order dated January 17, 2012 of Hon'ble Mumbai High Court for provisional release of its vessel SEAMEC II arrested by Customs. The above order was subject to adjudication. Hon'ble High Court observed that no duty to be charged on the acquisition cost as the vessel was originally imported prior to 2001 when import duty was not applicable on such vessel.

During July-August 2012, DRI issued show cause notice, separately for each vessel as to why the duty determined of aggregate value of ₹ 285.26 million, interest, penalty etc. will not be levied on the Company.

The Company while preferring adjudication have submitted replies to respective show cause notices, and hearing on adjudication proceeding completed before the Commissioner of Customs (Import) on December 4, 2012.

Subsequent to above, the Company has received 3 corrigendum to the original show cause notices enhancing the claim of custom duty by ₹ 65.14 million against the above claim.

Commissioner of Customs has issued order dated March 28, 2013 received by Company on April 16, 2013 on the adjudication proceedings. Commissioner of Customs, in his order, imposed duty ₹ 350 million, penalty for equivalent amount and interest and appropriation of ₹ 126.60 million paid in December 2011. As per the order of Commissioner of Customs, total claim to Company including duty, penalty, interest and confiscation fine calculated to ₹ 1,197 million after adjustment of provisional duty already paid in December 2011 under protest.

The Company has since obtained stay from CESTAT Appellate Tribunal, customs against the order of commissioner of customs for vessel SEAMEC-III, SEAMEC II & SEAMEC-I. While pending the appeal, Honorable CESTAT allowed the vessels to go out of India upon furnishing the Bank Guarantee aggregating to ₹ 70 million to ensure vessels return to India during the granted period. Upon return of vessels the aggregate Bank Guarantee of ₹ 70 million has been revoked.

The Company is of the view that it has a strong case on merit and is contesting the same. Hence no further provision made towards additional Customs Duty, Penalty and Confiscation redemption fine as stated in the order of Commissioner of Customs.

- c During the previous year, the Company had executed marine and diving activities jointly with a diving company, wherein the customer has claimed an amount of ₹ 30 million from the Company on account of alleged defective performance which is subject to final settlement/resolution. The management's view is that the claim in regard to the alleged defective performance pertains to the scope of work performed by the diving Company. Accordingly, the Company does not acknowledge this claim as debt because the company expects a positive outcome.
- d During the year, the Company has received Audit Memo issued by the Assistant Commissioner of Service Tax, pertaining to disallowance of certain CENVAT credit availed during the period of FY 2013-14 to 2015-16 to the extent of ₹ 14.03 million. Based on the opinion taken from an expert, the management believes that they have good case and no adjustment is required in this regards.

### Notes:

- (a) The company does not expect any reimbursement in respect of the above contingent liabilities.
- (b) It is not practicable to estimate the timing of cash flows, if any, in respect of matters at (a) to (d) above, pending resolution of the proceedings.

### 38. Commitments

### a. Capital Commitments

Estimated amount of contracts remaining to be executed on capital account and not provided for  $\ge$  8.53 million (31.03.2016 :  $\ge$  20.06) (01.04.2015  $\ge$  NIL).

### b. Other Commitment

There are no material non cancellable contractual commitments. For commitments relating to lease arrangement (refer Note-46).

### 39. Trade Receivables as disclosed in Notes 7 & 14, are net of provisions for :

- a ₹ 1134.70 million receivable from Swiber Offshore (India) Private Limited "SOI" and Swiber Offshore Constructions Pte Ltd "SOC", Singapore, against which the Company had initiated legal action in India and Singapore. Management believes SOI does not have any significant realizable assets, and SOC is under Judicial Management in Singapore, where the Company is an unsecured creditor. Considering the above status, management had made a provision for doubtful debts of ₹ 1134.70 million in the current year.
- (b) ₹ 176.50 million (net of provision of ₹ 52.30 million recognised in earlier year) receivable from Seahorse General Contracting Establishment, UAE which pertains to the year ended March 31, 2015 and in respect of which legal action was initiated. However, considering the limited progress in the matter, the Management recognized the additional provision of ₹ 176.50 million in the current year.
- (c) ₹71.30 million receivable from Synergy Subsea Engineering LLC, UAE ('Synergy') relating to charter hire for a vessel. There has been no substantial progress in recovery despite efforts made. The Company is now contemplating legal action, but no time frame can be reasonably ascertained, and consequently, the amount receivable has been provided for during the current year.

### 41 Segment Information

For management purposes, the Group is organised into business units based on its services and has two reportable segments i.e Domestic and Overseas.

The chief operational decision maker monitors the operating results of its Business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The Operating segments have been identified based on geographical location of the vessel. The operating segments have been disclosed based on revenues within India and outside India.

### 45 Gratuity and other post-employment benefit plans.

### 1 Defined Contribution Plans:

Amount of ₹ 1.81 million (31.03.2016: ₹ 1.99 million) is recognised as an expense and included in Employee Benefit Expense (refer note 31) in statement of profit and Loss.

### 2 Defined Benefit Plans :

The Group has a defined benefit gratuity plan. Every employee (other than crew who have covered under separate scheme) who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded with an insurance Company in the form of a qualifying insurance policy.

The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. The fund has the form of a trust and it is governed by the Board of Trustees, which consists of an equal number of employer and employee representatives. The Board of Trustees is responsible for the administration of the plan assets and for the definition of the investment strategy.

Each year, the Board of Trustees reviews the level of funding in the India gratuity plan. Such a review includes the assetliability matching strategy and investment risk management policy. This includes employing the use of annuities and longevity swaps to manage the risks. The Board of Trustees decides its contribution based on the results of this annual review.

The obligation of the group is limited to the amount contributed and it has no further contractual nor any constructive obligation.

The following tables summarise the components of net benefit expense recognized in the statement of profit and loss and other comprehensive income and the funded status and amounts recognized in the balance sheet for the respective plans.

Defined benefit obligation	6.18	7.25	7.64
Fair value of plan assets	6.64	7.89	7.22
	0.46	0.64	(0.42)
Less: Unrecognised past service cost	-	-	-

Changes in the present value	of the defined henefit	chligation are as follows:

•			
Opening defined benefit obligation	7.25	7.64	8.62
Interest cost	0.57	0.61	0.78
Current service cost	0.47	0.43	0.41
Benefits paid	(1.88)	(0.09)	(2.73)
Remeasurement (gains) / losses on obligation-Due to changes in demographic assumptions	-	-	(0.07)
Remeasurement (gains) / losses on obligation- Due to change in Financial assumptions.	0.22	(0.20)	0.23
Remeasurement (gains) / losses on obligation-Due to experience.	(0.45)	(1.14)	0.39
Closing defined benefit obligation	6.18	7.25	7.64

### Changes in the fair value of plan assets are as follows:

Opening fair value of plan assets	7.89	7.22	9.25
Interest Income	0.62	0.58	0.83
Contributions by employer	0.11	0.17	0.03
Benefits paid	(1.88)	(0.09)	(2.73)
Return on Plan Assets excluding Interest income	(0.10)	(0.01)	(0.16)
Closing fair value of plan assets	6.64	7.89	7.22

The Company expects to contribute ₹ Nil (31.03.2017: 0.1 million) to gratuity in F.Y.2017-18.

### The major categories of plan assets as a percentage of the fair value of total plan assets are as follows:

Investments with insurer	100%	100%	100%
--------------------------	------	------	------

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

### The principal assumptions used in determining gratuity for the Company's plans are shown below:

Discount rate	6.81%	7.84%	8.04%
Salary Escalation	6.00%	6.00%	7.00%
Attrition Rate	10.00%	10.00%	10.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

A quantitative sensitivity analysis for significant assumptions as at 31 March 2017 is as shown below:

India gratuity plan:

Sensitivity Analysis			
Particulars	Year ended 31.03.2017	Year ended 31.03.2016	
Projected Benefit obligation on Current Assumptions	6.18	7.26	
Delta Effect of $+1\%$ Change in Rate of Discounting	(0.22)	(0.23)	
Delta Effect of -1% Change in Rate of Discounting	0.24	0.25

Delta Effect of -1% Change in Rate of Salary Increase	(0.22)	(0.24)	
Delta Effect of $+1\%$ Change in Rate of Employee Turnover	-	0.01	
Delta Effect of -1% Change in Rate of Employee Turnover	-	(0.01)	

### 46 Leases

### **Operating Lease Commitments:**

Office premises are obtained on operating lease / leave and license. The lease term is for the period of 1 to 9 years and renewable at the option of the Company. There are no restrictions imposed by lease arrangements. The total lease term is for a period of 108 months out of which there is a lock-in period of initial 60 months.

Minimum lease payments under non-cancellable operating lease / leave and license are as follows (₹ million):

Particulars	Year ended 31.03.2017	Year ended 31.03.2016
i. Payable Not later than one year	21.05	28.41
ii. Payable Later than one year but not later than five years	37.68	79.29
iii. Payable Later than five years	-	-
Lease payments recognized in the Statement of Profit and Loss	49.01	31.20

The lease fees shall be increased by 15% over the last monthly lease fee paid after completion of every 36 months from the rent commencement date of the lease deed agreement.

### 47 Fair Value

Set out below, is a comparison by class of the carrying amounts and fair value of the financial instrument of the group, other than those with carrying amounts that are reasonable approximations of fair values:

Particulars	Year ended 31.03.2017			ended .2016		ended .2015
	Carrying Value	Fair Value	Carrying Value	Fair Value	Carrying Value	Fair Value
Security deposit	11.75	13.03	15.56	16.33	13.68	13.68
Total	11.75	13.03	15.56	16.33	13.68	13.68

The management assessed that the fair value of Trade receivable, cash and cash equivalents, other Bank Balance, Other financial assets, Trade payables, Borrowings and other financials liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.

### **Fair Value Hierarchy**

The following table provides the fair value measurement hierarchy of the group's assets.

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2017, March 31, 2016 and April 1, 2015:

		Fair value measurement using				
Particulars	Date of Valuation	Total	Quoted price in Active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)	
Assets measured at fair value						
Investment in Mutual Fund	31-Mar-17	347.52	347.52	-	-	
Investment in Mutual Fund	31-Mar-16	314.33	314.33	-	-	
Investment in Mutual Fund	01-Apr-15	70.35	70.35	-	-	

There have been no transfers between Level 1 and Level 2 during the year.

### 48 Managerial Remuneration

For the year ended March 31, 2016, due to inadequacy of profits, remuneration paid to the Managing Director exceeded the limit prescribed under Section 197 read with Schedule V of the Companies Act, 2013 by ₹ 3.67 million. Subsequently, the Ministry of Corporate Affairs vide notification dated September 12, 2016 amended the Schedule V of Companies Act, 2013 and revised the limit on the remuneration payable to the managerial personnel by a company having no profit or inadequate profit without the Central Government approval. Consequent upon the above, and based on the opinion of a legal expert, management believes that specific approval of Central Government is not required. However, as a matter of abundant caution, the Company has submitted an application to the Central Government seeking waiver from recovery of such excess amount of remuneration. The Central Government's response is awaited. Having regard to the facts and circumstances, in the opinion of the management, no adjustments to the financial statements are warranted at this stage.

### 49 Details Of Dues To Micro And Small Enterprises As Defined Under The Micro, Small And Medium Enterprises Development Act, 2006

Profit / (Loss) after tax	(1,488.64)	53.86
Net profit / (Loss) for calculation of basic and diluted EPS	(1,488.64)	53.86
Weighted average number of equity shares outstanding (Nos.)	25.43	30.91
Basic & Diluted Earnings Per Share (FV ₹10/- each )	(58.55)	1.74

### 51 Financial Risk Management-Objectives And Policies

The Group's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. The management assures that the group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

### a Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings.

The below assumption has been made in calculating the sensitivity analysis:

(1) The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks.

This is based on the financial assets and financial liabilities held at March 31, 2017 and March 31, 2016 and April 01, 2015.

### **Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of financial instrument will fluctuate due to change in market interest rates. The company is not exposed to any significant interest rate risk as at the respective reporting dates.

### Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to the company's operating activities (when revenue or expense is denominated in a foreign currency). Currency risk arises when future commercial transactions and recognized assets and liabilities are denominated in a currency that is not the company's functional currency. The company's foreign currency transactions are mainly in United State Dollars (USD).

The Company manages its foreign currency risk by natural hedging.

The following tables demonstrate the sensitivity to a reasonably possible change in USD and other exchange rates, with all other variables held constant. The impact on the company's profit before tax is due to changes in the fair value of monetary assets and liabilities.

Particulars	Change in Currency rate	Effect on Profit Before Tax
USD	1%	3.65
Other Currency	1%	(0.30)
USD	-1%	(3.65)
Other Currency	-1%	0.30

### b Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables and from it's financing activities, including deposits with banks, foreign exchange transactions and other financial instruments.

### Trade Receivables:

Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets

### Financial Instruments and cash deposits

Credit risk from balances with banks is managed by the company's senior management.

The company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2017, March 31, 2016 and April 1, 2015 is the carrying amounts as illustrated in respective notes.

### c Liquidity risk

Liquidity risk is the risk that an enterprise will encounter difficulty in raising funds to meet commitments associated with financial instruments. Liquidity risk may result from inability to sell a financial asset quickly at close to its fair value. Liquidity risk is managed by monitoring on a regular basis that sufficient funds are available to meet any future commitments.

The table below summarises the maturity profile of the company's financial liabilities based on contractual undiscounted payments.

Particulars	On Demand	Not yet Due	Less than3 Months	3 to 12 Months	>1 Year	Total
(a) Borrowings	-	-	-	179.10	1	179.10
(b) Trade payables	1,023.29	203.23	-	-	1	1,226.52
(c) Other Financial liabilities	141.11	-	-	2.05	-	143.16

### 52 Capital management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the group. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The group includes with in net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents. The Group's strategy is to maintain a gearing ratio with 10%. The gearing ratios were as follows:

(₹ million)

Particulars	As at 31.03.2017	As at 31.03.2016	As at 01.04.2015
Debt (Note 24)	179.10	281.08	127.31
Equity	3416.16	4919.34	5931.67
Gearing ratio	5%	6%	2%

### 53 Disclosures as Required by Indian Accounting Standard (In AS) 101 First Time Adoption of Indian Accounting Standards.

These consolidated financial statements, for the year ended March 31, 2017 are the first, the group has prepared in accordance with Ind AS. For the periods up to and including the period ended March 31, 2016 the group prepared its financial statements in accordance with the accounting standards notified under section 133 of the companies Act 2013, read together with Paragraph 7 of the companies (Accounts) Rules, 2014 (Indian GAAP) and amendments thereunder.

Accordingly, the group has prepared consolidated financial statements which comply with Ind AS applicable for year ended March 31, 2017, together with the comparative period data as at and for the year ended March 31, 2016, as described in the summary of significant accounting policies. In preparing these financial statements, the group's opening balance sheet was prepared as at April 1, 2015, the group's date of transition to Ind AS. This note explains the principal adjustments made by the company in restating its Indian GAAP financial statements, including the balance sheet as at April 1, 2015 and the financial statements as at and for the year ended March 31, 2016.

### **Exemptions applied**

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS, The group has applied the following exemptions:

- (a) The group has elected to apply previous GAAP carrying amount of its property, plant and equipment as deemed cost as on the date of transition to Ind AS since there is no change in it's functional currency on the date of transition to Ind AS.
- (b) Ind AS 103 Business Combinations has not been applied to acquisitions of subsidiaries, which are considered businesses under Ind AS that occurred before April 1, 2015. Use of this exemption means that the Indian GAAP carrying amounts of assets and liabilities, that are required to be recognised under Ind AS, is their deemed cost at the date of the acquisition. After the date of the acquisition, measurement is in accordance with respective Ind AS.
  - The group recognises all assets acquired and liabilities assumed in a past business combination, except (i) certain financial assets and liabilities that were derecognised and that fall under the derecognition exception, and (ii) assets (including goodwill) and liabilities that were not recognised in the acquirer's consolidated balance sheet under its previous GAAP and that would not qualify for recognition under Ind AS in the individual balance sheet of the acquiree. Assets and liabilities that do not qualify for recognition under Ind AS are excluded from the opening Ind AS balance sheet. The Group did not recognise or exclude any previously recognised amounts as a result of Ind AS recognition requirements. Ind AS 101 also requires that Indian GAAP carrying amount of goodwill must be used in the opening Ind AS balance sheet (apart from adjustments for goodwill impairment and recognition or derecognition of intangible assets). In accordance with Ind AS 101, the Group has tested goodwill for impairment at the date of transition to Ind AS. No goodwill impairment was deemed necessary at April 1, 2015.
- (c) The Group has not applied Ind AS 21. The Effects of Changes in Foreign Exchange Rates retrospectively to fair value adjustments and goodwill from business combinations that occurred before the date of transition to Ind AS. Such fair value adjustments and goodwill are treated as assets and liabilities of the parent rather than as assets and liabilities of the acquiree. Therefore, those assets and liabilities are already expressed in the functional currency of the parent or are non-monetary foreign currency items and no further translation differences occur.
- (d) Cumulative currency translation differences for all foreign operations are deemed to be zero as at April 1, 2015.

### **Exceptions**

The following mandatory exceptions have been applied in accordance with Ind AS 101 in preparing the financial statements.

### (a) Estimates

The estimates at April 1, 2015 and at March 31, 2016 are consistent with those made for the same dates in accordance with India GAAP (after adjustments to reflect any differences if any, in accounting policies) apart from the following items where application of Indian GAAP did not require estimation:

Impairment of Financial assets based on Expected Credit Loss model.

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions as at the transition date and as of March 31, 2016.

### (b) Derecognition of financial assets and financial liabilities

The Company has elected to apply the derecognition requirements for financial assets and financial liabilities in IND AS 109 prospectively for transactions occurring on or after the date of transition to IND AS.

### (c) Classification and measurement of financial assets

The Company has classified the financial assets in accordance with IND AS 109 on the basis of facts and circumstances that exist at the date of transition to IND AS.

Refer reconciliation of Equity on account of conversion of financials from Indian GAAP to Ind As.

Footnotes to the reconciliation of equity as at 1 April 2015 and 31 March 2016 and profit or loss for the year ended 31 March 2016

### (a) Fair Value through profit or loss (FVTPL) financial assets

Under Indian GAAP, the group accounted for investments in unquoted equity shares as investment measured at cost less provision for other than temporary diminution in the value of investments.

Under Ind AS, the group has designated such investments as FVTPL investments. Ind AS requires FVTPL investments to be measured at fair value. At the date of transition to Ind AS, difference between the instruments fair value and Indian GAAP carrying amount has been recognised as a separate component of equity, net of related deferred taxes.

The difference between Fair Value and the Indian GAAP carrying amount has been recognised in retained earnings.

### (b) Statement of Cash flows

The transition from Indian GAAP to Ind AS has not had a material impact on the statement of cash flows.

### (c) Provisions

Under Indian GAAP, proposed dividends including DDT are recognised as a liability in the period to which they relate, irrespective of when they are declared. Under Ind AS, a proposed dividend is recognised as a liability in the period in which it is declared by the group (usually when approved by shareholders in a general meeting) or paid.

On April 1, 2015. The proposed dividend for the year ended on March 31, 2015 of ₹ 40.83 Millions (including Dividend Distribution tax of ₹ 6.94 Millions) recognized under Indian GAAP was reduced from Provisions and with a corresponding impact in the retained earnings.

### (d) Defined Benefit Plan

Both under Indian GAAP and Ind AS, the group recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to profit or loss. Under Ind AS, remeasurements [comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability] are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI.

### (e) Deferred Tax

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period, whereas Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base.

The transitional adjustments lead to temporary differences. According to the accounting policies, the group has to account for such differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or a separate component of equity. On the date of transition, the net impact on deferred tax liabilities is of  $\ref{tax}$  0.07 Millions.

### (f) Transaction Cost

Under the Indian GAAP the Group recognised transaction costs relating to Buyback of Equity shares in the statement of profit or loss. Ind AS 32 requires such transaction costs to be allocated to the Equity Component of the instrument.

### (g) Other Comprehensive Income

Under Indian GAAP, the Group has not presented other comprehensive income (OCI) separately. Hence, it has reconciled Indian GAAP profit or loss to profit or loss as per Ind AS. Further, Indian GAAP profit or loss is reconciled to total comprehensive income as per Ind AS.

### (h) Loans-Deposits

The Group has given interest free refundable security deposit towards office rent, which is been brought to Fair value as per Ind AS 109. The difference between the nominal value of Security Deposit and Fair value of Security Deposit is considered as additional rent payable to the lessor. Further the Group has also recognized as interest income as per amortisation pattern. The additional rent recognized is expensed out on straight line basis over the tenure of agreement.

### (i) Property Plant & Equipment

The Group has capitalised Spares which meets the definition of Property, Plant and Equipment as per Ind AS 16-Property, plant and Equipment. The same has been capitalised as at the transition date which were recognised as inventory as per the Indian Accounting Standard.

### (j) Sale of Saturation Diving System

Group has entered into sales agreement for sale of Saturation Diving system in the year 2014-15. The agreement had deferred payment term

(Payment being spread over a period of 2 years. Hence the difference between the fair value of receivable and actual amount receivable is recognized as interest income).

### 54 Standard issued but not effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flows'. The amendments are applicable to the Company from April 1, 2017.

### Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and noncash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.
